Partin Settlement Road Improvements

From Neptune Road to Lakeshore Boulevard

Osceola County, Florida

Project No.: PS-20-11504-DG

Introduction

The following report documents the public involvement activities that occurred during the Part A – Alternatives Evaluation phase of the project. Osceola County and the project team developed a detailed Public Involvement Plan to guide outreach during the evaluation phase. The public involvement tools used included:

- **Project Website:** Osceola County developed a project website www.osceola.org/go/partinsettlement on which project information was posted, including a project description and map, a link to provide comments or ask questions, information about the public information meeting and how to participate, and documents from the public meeting.
- **Comment Matrix:** The project team developed and maintained a matrix of all questions and comments received during the Part A evaluation and the responses that were provided. A copy of the matrix is included in this report.
- **Hybrid Public Information Meeting:** Osceola County hosted a hybrid public information meeting on January 21, 2021. The meeting was offered as an in-person open house and virtually using GoToWebinar to allow interested persons to join from their computer tablet or telephone. A full meeting summary is included in this report.
- **Notifications:** Notifications for the public information meeting included a flyer mailed to property owners and tenants, letters emailed to elected officials and government partners with the flyer attached, social media posts by the County, newspaper advertisement in the Osceola News-Gazette, and a press release distributed by the County.
- **Board of County Commissioners Meeting:** Following the public meeting, the project team refined the alternatives to develop the preferred alternative. The project team developed a presentation explaining the alternatives that were evaluated and the reasons for the recommended alternative. The Board of County Commissioners reviewed the information and voted to authorize advancement of a preferred alternative to the Part B – Final Design phase on March 1, 2021. Additional public involvement is planned during Final Design.

Project No.: PS-20-11504-DG

Public Meeting Summary

Date: Thursday, January 21, 2021

Time: 6 p.m. – 7:30 p.m.

Location: Online - GoToWebinar

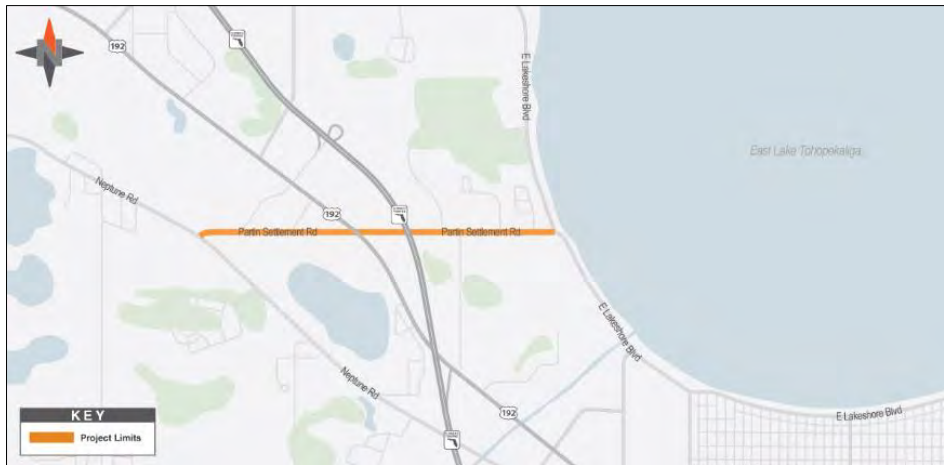

In Person - Council on Aging

Attendees: See attached registration list

Osceola County held a hybrid public information meeting regarding the Partin Settlement Road Improvements Project on January 21, 2021. The project limits are from Neptune Road to Lakeshore Boulevard. The purpose of this meeting was to introduce the alternatives being proposed and to provide an opportunity for interested persons to provide feedback and ask questions.

Public Notification

Meeting invitations were sent by email to 29 elected officials and 61 appointed officials, agency representatives and Native American Tribes.

Meeting notifications were sent by U.S. Mail to 1,525 property owners and tenants. The invitations included the date and time of the public meeting, the three options for how to attend the meeting (virtually,

in person, by phone), how to register for the meeting and the project map.

Copies of the invitation letters and mailing lists are included in Appendix A.

Meeting Advertisement

The meeting was advertised with a newspaper display ad published in the *Osceola News Gazette* on Thursday, January 14, 2021. The meeting notice was also posted on the Osceola

Partin Settlement Road Improvements

From Neptune Road to Lakeshore Boulevard

Osceola County, Florida

Project No.: PS-20-11504-DG

County website. Osceola County also distributed a news release and posted the meeting information on social media. Copies of the newspaper display ad and press release are included in Appendix B.

Public Meeting Agenda

The public meeting was held both virtually and in person.

The virtual meeting was held online using GoToWebinar. The webinar opened at 6 p.m. and included a presentation with an

overview of the project. Following the presentation, there was a question-and-answer session where project team members addressed comments submitted by attendees through the Question pane of GoToWebinar. The attendees who called in were in listen-only mode and were reminded how they could contact the project manager with any questions or comments after

the meeting. Attendees were reminded throughout the meeting of ways in which questions and comments could be submitted, and that questions received would be responded to in writing.

The meeting ended at 7:30 p.m., once there were no more questions or comments.

The in-person meeting was held at the Council on Aging, 700 Generation Point, Kissimmee, FL 34744. Doors opened at 5:30 p.m. There were seven exhibit boards set up, socially distanced, with stickers on the ground reminding attendees to stay six feet apart and arrows showing how the flow of foot traffic is expected to run. As attendees entered the building, they had their temperature taken, and were reminded that masks were required. They were then able to pick up a folder containing several handouts for the meeting. Attendees could view the exhibits, ask team members questions, and were also able to view a looping video presentation with the same information as the presentation shown during the virtual meeting.

The purpose of this public meeting was to provide an opportunity for the public to learn about the alternatives being proposed to increase capacity and enhance safety along the corridor. The project proposes adding lanes,

Partin Settlement Road Improvements

From Neptune Road to Lakeshore Boulevard

Osceola County, Florida

Project No.: PS-20-11504-DG

providing accommodations for bicycles and pedestrians, drainage improvements and traffic signal modifications.

A copy of the presentation is included in Appendix C.

Meeting Attendance

Twenty-seven people signed into the virtual meeting and 14 people attended the in-person meeting. Attendees also included project team members, consultants, FDOT representatives, a representative with Osceola County Schools and St. Cloud city employees. A copy of the registration sheet is included in Appendix D.

Handouts

A copy of the presentation and a comment form were available for download during the virtual meeting. Participants were encouraged to ask questions and/or leave comments in the comment box provided. They were also told they could email the comments or go to the comment form and fill it out. In-person attendees picked up a folder on their way into the meeting which contained a copy of the presentation, a comment form, sign card, project flyer and a pen. The comment form and sign in

card are included in Appendix E.

Public Comments

A total of 25 questions and/or comments were submitted during the virtual meeting, two comment forms were received during the in-person meeting and several community members asked questions or provided comments by email to the project manager before and after the meeting. Comments were generally neutral or positive. Questions submitted concerned the following:

- Property acquisition needs
- Access to properties
- Speed limit
- Drainage improvements
- Lighting

Partin Settlement Road Improvements

From Neptune Road to Lakeshore Boulevard

Osceola County, Florida

Project No.: PS-20-11504-DG

- Safety of bicycle lanes on the street vs. multi-use pathways
- Location of turn lanes
- Construction start date and duration
- Florida's Turnpike project effect on project
- Potential impacts to endangered birds
- Landscaping/median landscaping

All written comments or questions received a written response after the meeting. A matrix showing the comments and responses can be found in Appendix F.

End of Meeting Summary

This public meeting summary was prepared by Shari Croteau, communications manager, Quest Corporation of America Inc. If you feel that clarifications are necessary, or if it differs from your understanding, please notify Shari by email at shari.croteau@qcausa.com.

APPENDIX A

Transportation & Transit Department

January 5, 2021

**Subject: Public Information Meeting
Partin Settlement Road Improvements**
From Neptune Road (County Road 525) to Lakeshore Boulevard
Osceola County
Project No.: PS-20-11504-DG

Tawny Olore, PE
Executive Director

Dear Elected Official:

Osceola County invites you to a public information meeting regarding the Partin Settlement Road Improvements project on Thursday, January 21, 2021. The purpose of the project is to address capacity and safety needs along Partin Settlement Road from Neptune Road to Lakeshore Boulevard.

Joshua DeVries, AICP
Transportation Planning

Osceola County is examining future traffic needs and evaluating alternatives to achieve the project goals. The public meeting is being held to present the potential alternatives to the community and receive input. Following the meeting, the alternatives will be refined, and County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and findings from the alternatives study. The approved preferred alternative will be advanced to the design phase.

Kathy Lee, PE
Traffic Engineering

The County is offering three ways to participate in the meeting. All participants will receive the same information regardless of which option they choose.

Todd Hudson, PE
Transportation Engineering

- **In-Person Option:** Interested persons may attend an in-person open house at the Council on Aging, 700 Generation Point, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members and provide comments. Attendees will be required to wear masks and follow all safety guidelines. Those who are not feeling well may not attend the in-person meeting.

Rene LaPorte
Construction

- **Virtual Meeting (Online) Option:** The second option is to participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person location. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions. Advance registration is required for this option by going to: <https://bit.ly/2Jtugnq>. Please note that GoToWebinar does not support Internet Explorer. You will need to use Google Chrome ([click here](#) to download for free) or Microsoft Edge ([click here](#) to download for free) to register and participate in the virtual meeting.

Gary Yeager
Traffic Operations

Transportation & Transit Department

- **Phone Option (listen-only):** Persons may also call into the meeting by dialing 914-614-3221 and entering the passcode 714-755-316 when prompted. Persons choosing this option are encouraged to contact me at 407-742-0557 or conroy.jacobs@osceola.org after the meeting to submit comments or ask questions.

Tawny Olore, PE
Executive Director

All meeting materials will be available on the project's website at www.osceola.org/go/partinsettlement. A link to a recording of the virtual meeting will be posted after the meeting.

Joshua DeVries, AICP
Transportation Planning

While comments are welcomed throughout the project, all comments received by Feb. 1, 2021, will become part of the record for this meeting. For more information, please contact me at 407-742-0557 or conroy.jacobs@osceola.org.

Kathy Lee, PE
Traffic Engineering

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express their concerns relative to compliance with Title VI may do so by contacting Maria Colón, Director, Human Resources Department, Osceola County Board of County Commissioners, by phone at 407-742-1227 or TTD: 800-955-8771, or via email at maria.colon@osceola.org.

Todd Hudson, PE
Transportation Engineering

Persons who require accommodation under the Americans with Disabilities Act (ADA) are asked to contact Bernardo Alicea, Osceola County ADA Coordinator, at 407-742-1200 (TTD: 800-955-8771) or email at bernardo.alicea@osceola.org at least 7 days before the meeting.

Sincerely,

Rene LaPorte

PARTIN SETTLEMENT ROAD IMPROVEMENTS

From Neptune Road to Lakeshore Boulevard
Project Number: PS-20-11504-DG

YOU ARE INVITED TO A PUBLIC MEETING

Osceola County is holding a virtual and in-person public meeting on **Thursday, January 21, 2021, at 6 p.m.** regarding the Partin Settlement Road Improvements Project. The purpose of the Project is to increase capacity and enhance safety along the corridor. Osceola County is currently evaluating alternatives that will include adding lanes, providing accommodations for bicycles and pedestrians, drainage improvements and traffic signal modifications. The public meeting is an opportunity for the community to learn about the project and provide input. After the public meeting, County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and the findings of the alternatives study.

MEETING OPTIONS

The County is offering multiple ways for the community to participate in the meeting. All participants, regardless of the platform they choose, will receive identical information and all comments will be evaluated equally.

- **In-Person Option:** Interested persons may attend an in-person open house at the Council on Aging, 700 Generation Point, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members and provide comments. Attendees will be required to wear masks and follow all sanitation guidelines and adhere to any local ordinances. Those who are not feeling well or running a fever may not attend the in-person meeting.

- **Virtual Option:** The second option is to participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person location. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions. Advance registration is needed for this option by going to: <https://bit.ly/2Jtugnn>. Please use either Chrome (download for free at <https://bit.ly/3lXEp9w>) or Microsoft Edge (download for free at <https://bit.ly/36STDbr>) as your browser to register and participate in the virtual meeting.

- **Phone Option (Listen Only):** Persons may also call into the meeting by dialing 914-614-3221 and entering the passcode 714-755-316 when prompted. Persons choosing this option are encouraged to provide comment or ask questions after the meeting by contacting Osceola County Project Manager Conroy Jacobs.

All materials will also be available on the project's website at www.osceola.org/go/partinsettlement. A link to a recording of the virtual meeting will be posted after the meeting.

ESTA INVITADO A UNA REUNIÓN PÚBLICA

El condado de Osceola está organizando a reunión pública virtual y en persona el jueves, **21 de enero del 2021 a las 6 p.m.** sobre el proyecto de mejoras a Partin Settlement Road. El propósito del proyecto es aumentar la capacidad y mejorar la seguridad del corredor. El condado De Osceola presentemente está evaluando alternativas que incluyen la adición de carriles, mejoras para los ciclistas y los peatones, mejoras del sistema de drenaje y modificaciones a las señales de tráfico. Esta reunión pública es una oportunidad para que la comunidad aprenda sobre el proyecto y aporte sus comentarios. Después de la reunión pública, el personal del Condado recomendará la alternativa preferida a la Junta de Comisionados del condado de Osceola para su repaso y aprobación, basado en los comentarios públicos y recomendaciones del estudio de alternativas.

OPCIONES PARA LA REUNIÓN

El Condado ofrece múltiples formas para que la comunidad participe en la reunión. Todos los participantes, sin importar la plataforma que escojan, recibirán la misma información y todos los comentarios serán evaluados igualmente.

- **Opción en persona:** Aquellas personas interesadas pueden participar en una reunión en persona en el Council on Aging, 700 Generation Point, Kissimmee, FL 34744. Los que participen tendrán la oportunidad de llegar a cualquier momento entre las 6 p.m. y 7:30 p.m. para ver una presentación e ilustraciones sobre el proyecto, hablar con los miembros del equipo del proyecto y proveer comentarios. Los participantes deben ponerse máscaras y seguir todos las reglas sanitarias y ordenanzas locales. Aquellos que no se sienten bien o tengan una fiebre no pueden participar en la reunión en persona.

- **Opción Virtual:** La segunda opción es participar en la reunión virtual pública (VPM, siglas en inglés) desde una computadora, tableta o dispositivo móvil. El VPM comenzará a las 6 p.m. e incluirá la misma presentación que se mostrará en la reunión en persona. Los participantes en la reunión virtual tendrán la oportunidad de descargar información sobre el proyecto y proveer comentarios o hacer preguntas. Su registración adelantada es requerida para esta opción al ir a: <https://bit.ly/2Jtugn>. Por favor use Chrome (descárguelo aquí gratis, <https://bit.ly/3lXEp9w>) o Microsoft Edge (<https://bit.ly/36STDbr>) como su navegador para registrarse y participar en la reunión virtual.

- **Opción por teléfono:** Las personas también pueden llamar a la reunión al discar 914-614-3221 e ingresar la clave numérica 714-755-316 cuando se la pide. Se recomienda que las personas que escojan esta opción proveen sus comentarios o preguntas después de la reunión al contactar al Gerente del Proyecto del condado de Osceola, Conroy Jacobs.

Todos los materiales estarán disponibles en el sitio web del proyecto en www.osceola.org/go/partinsettlement. Un enlace a la grabación de la reunión virtual será publicado después de la reunión.

INFORMACIÓN RÁPIDA

APPENDIX B

Partin Settlement Road Improvements Public Information Meeting January 21, 2021, 6 p.m.

Osceola County invites the community to participate in a public meeting regarding the Partin Settlement Road Improvements project. The purpose of the project is to address capacity and safety needs along Partin Settlement Road from Neptune Road to Lakeshore Boulevard.

The public meeting will be held on Thursday, January 21, 2021. Persons may participate virtually from their computer by registering at the link below and logging in at 6 p.m. Persons may call in by using the "Attend by Phone" number and passcode below. Persons may also attend in person at the Council on Aging, 700 Generation Point, Kissimmee, FL 34744, anytime from 6 p.m. to 7:30 p.m. Participants will receive the same information regardless of the platform they choose. Additionally, all meeting materials will be posted on the project webpage at www.osceola.org/go/partinsettlement.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services should contact Bernardo Alicea, Osceola County ADA Coordinator, 407-742-1200 (TTD: 800-955-8771) or email at Bernardo.Alicea@osceola.org at least 7 days before the meeting.

For more information, please contact Osceola County Project Manager Conroy Jacobs at 407-742-0557 or by email at Conroy.Jacobs@osceola.org.

Attend Online: <https://bit.ly/2Jtugnn>

Attend In Person: Osceola Council on Aging
700 Generation Point
Kissimmee, FL 34744

Attend by Phone: 1-914-614-3221 , passcode 714-755-316

For Immediate Release

January 14, 2021

Opportunity to Provide Input on the Partin Settlement Road Project

Osceola County, Fla. – The community is invited to learn about potential options for addressing capacity and safety needs along Partin Settlement Road at a public information meeting scheduled for January 21, 2021. Osceola County is evaluating alternatives to address capacity and enhance safety along the roadway between Neptune Road and Lakeshore Boulevard. Alternatives will include adding lanes, accommodating bicycles and pedestrians, improving drainage, and modifying traffic signals. The public meeting will provide an opportunity to view the alternatives and provide input.

Following the public meeting, the alternatives will be refined, and County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and findings from the alternatives study. The approved preferred alternative will be advanced to the design phase.

The County is offering three ways for interested persons to participate.

- **In-Person Open House Option:** Interested persons may attend an open house at the Council on Aging, 700 Generation Point, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members and provide comments. Attendees will be required to wear masks and follow all safety protocols. Those who are not feeling well or are running a fever may not attend the in-person meeting.
- **Virtual Meeting (Online) Option:** The second option is to participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person location. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions. Advance registration is required for this option by going to: <https://bit.ly/2Jtugn1>. Please note that GoToWebinar does not support Internet Explorer. You will need to use Google Chrome ([click here](#) to download for free) or Microsoft Edge ([click here](#) to download for free) to register and participate in the virtual meeting.
- **Phone Option (listen-only):** Participants may also call into the meeting by dialing 914-614-3221 and entering the passcode 714-755-316 when prompted. Persons choosing this option are encouraged to contact the project team directly after the meeting to provide comment or ask questions. Please submit comments to Osceola County Project Manager Conroy Jacobs by phone at 407-742-0557 or email conroy.jacobs@osceola.org.

All participants will receive the same information and have an opportunity to provide comments. Comments received by Feb. 1, 2021 will become part of the record for this meeting. Those who cannot attend the meeting may review project information and submit a comment on the project webpage at www.osceola.org/go/partinsettlement. All comments will receive the same consideration.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Bernardo Alicea, Osceola County ADA Coordinator, at 407-742-1200 (TTD: 800-955-8771) or email at Bernardo.Alicea@osceola.org at least 7 days before the meeting.

For media inquiries, please contact the Osceola County Communications Office at 407-742-0100 or bccpio@osceola.org.

APPENDIX C

Partin Settlement Road Improvements Alternatives Study

Neptune Road to Lakeshore Drive
Public Information Meeting
January 21, 2021

Presentation Contents

- Introduction, project background
- Project purpose and need
- Current traffic and future demands
- Proposed typical section alternatives
- Project evaluations
- Schedule and county right-of-way process
- Opportunities for further involvement

Title VI

This public meeting is being conducted without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to compliance with Title VI may do so by contacting:

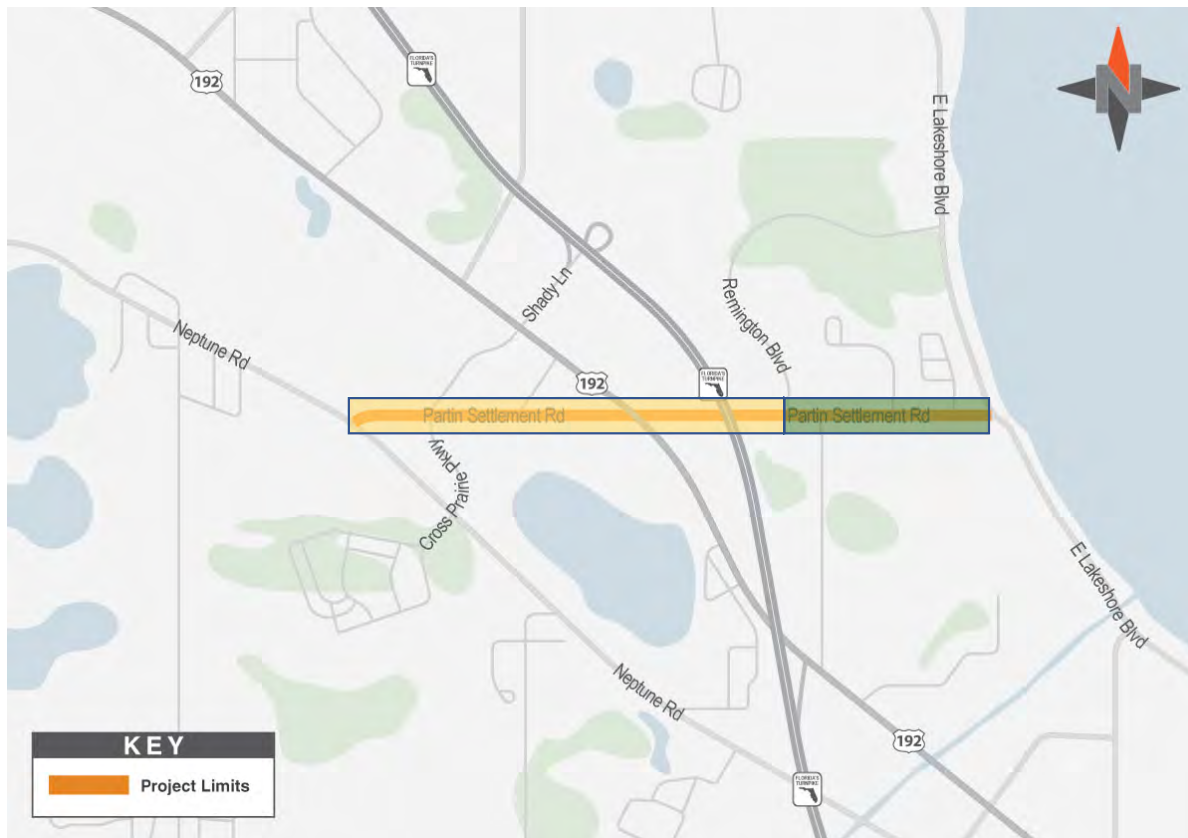

Maria A. Colòn, Director
Human Resources Department
Osceola County Board of County Commissioners
1 Courthouse Square, Suite 4200
Kissimmee, FL 34741
Phone: 407-742-1227 or TTD: 800-955-8771
Email: maria.colon@osceola.org

Project Location

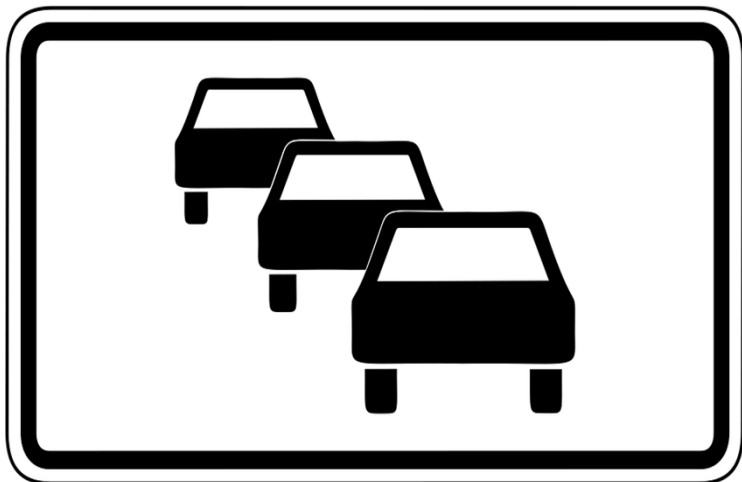

Project corridor extends from Neptune Road to Lakeshore Boulevard, a distance of 2.7 miles

Project Segments

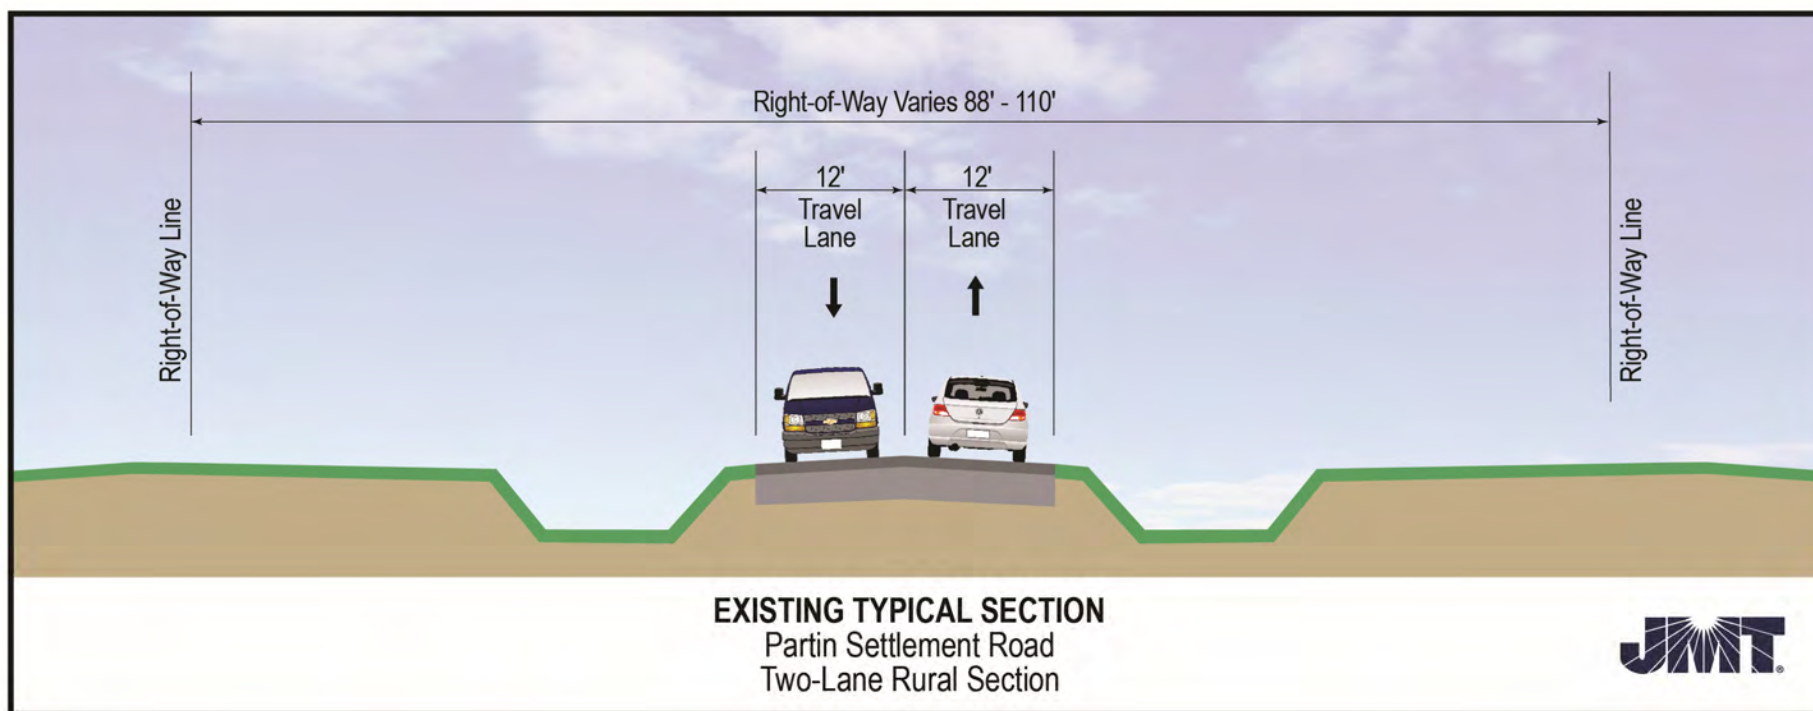

- Segment 1:
 - Neptune Road to east of Remington Boulevard – 1.95 miles
- Segment 2:
 - East of Remington Boulevard to Lakeshore Boulevard – 0.75 mile

Project Purpose & Need

- Address congestion
- Improve traffic operations
- Enhance safety
- Provide multi-modal opportunities including bicycle and pedestrian facilities
- Evaluate existing posted speed limit (varies from 35 to 45 mph)
- Improve drainage
- Identify access management opportunities
- Minimize impacts to the environment and adjacent properties

Existing Typical Section (No Build)

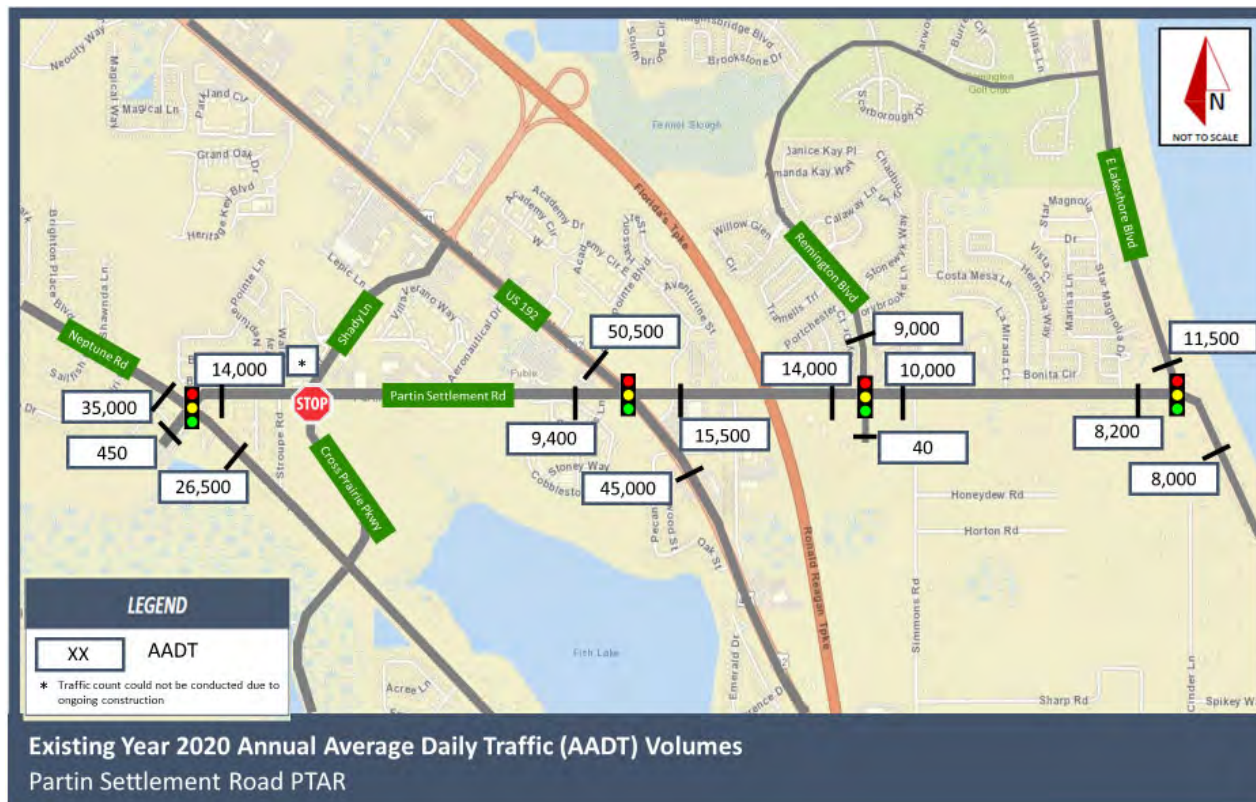

Existing Conditions

- Three lane section in some areas with center two-way left turn lane along part of the corridor
- Intersects with U.S. 192 and crosses over Florida's Turnpike
- Intermittent sidewalk
- Open drainage ditches

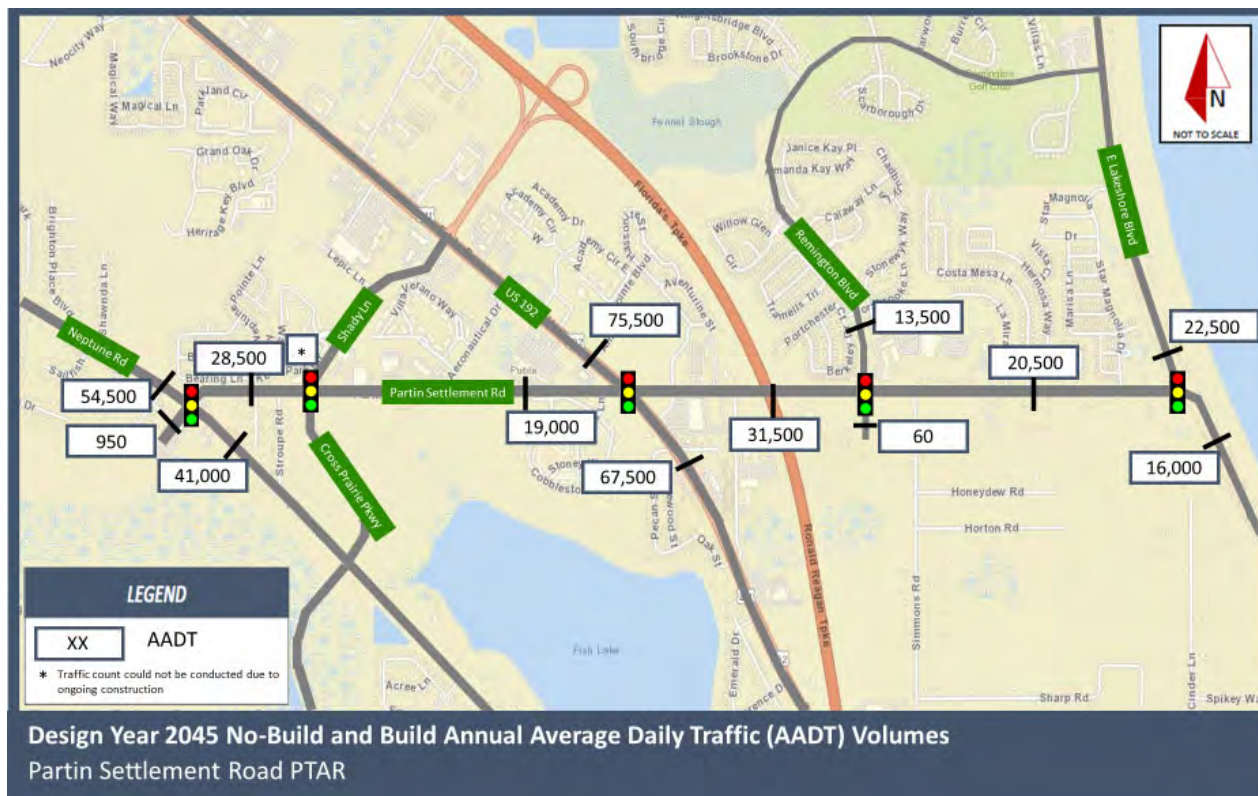

Current Traffic Volumes

- Current average daily traffic counts range from 8,200 to 14,000 vehicles

Traffic Projections - 2045

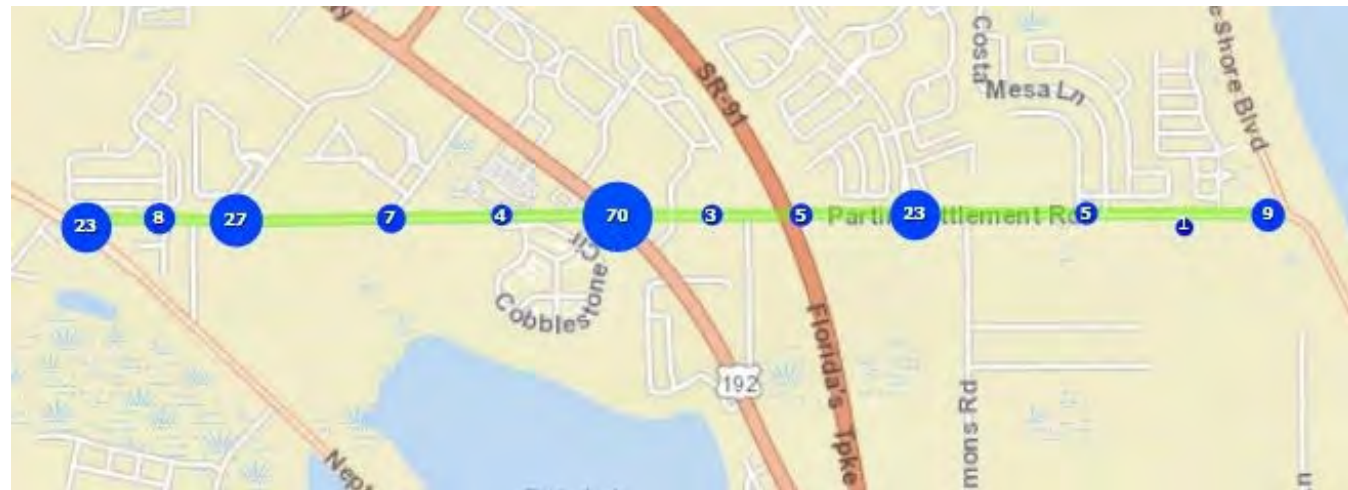

- Estimated average daily traffic volume in 2045 Ranges from 19,000 to 28,500 vehicles
- Traffic demands will require four lanes with median to maintain acceptable operations

Crash History

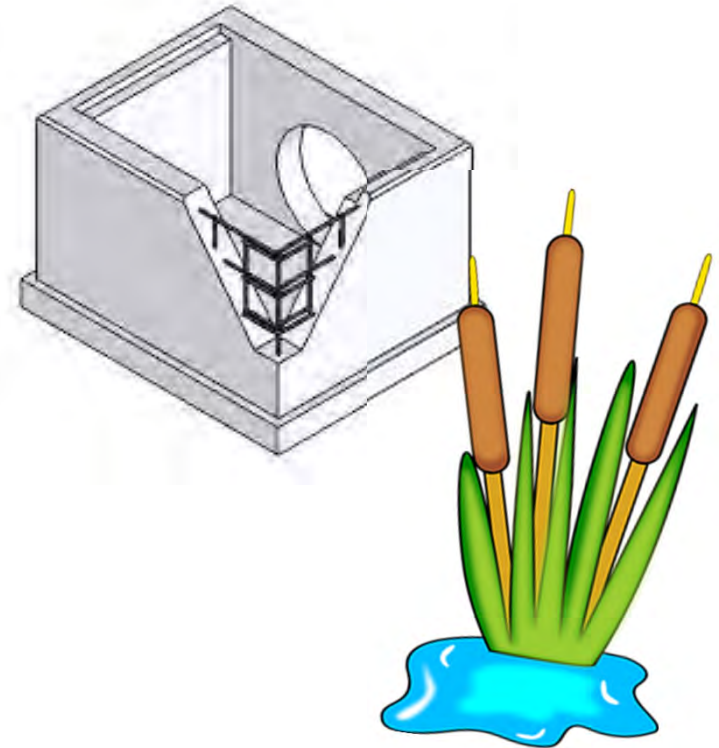

- 185 crashes along Partin Settlement Road (2015-2020)
- 70 collisions at the U.S. 192 intersection
- 32% resulted in injury
- 61% rear-end crashes
- 16% involved left-turn movements

Drainage & Environmental Analysis

- Provide new closed drainage system
- Identify and evaluate alternative stormwater retention pond sites
- Minimize impacts to wetlands and other environmental features
- Additional right-of-way will be required

Proposed Alternatives Benefits

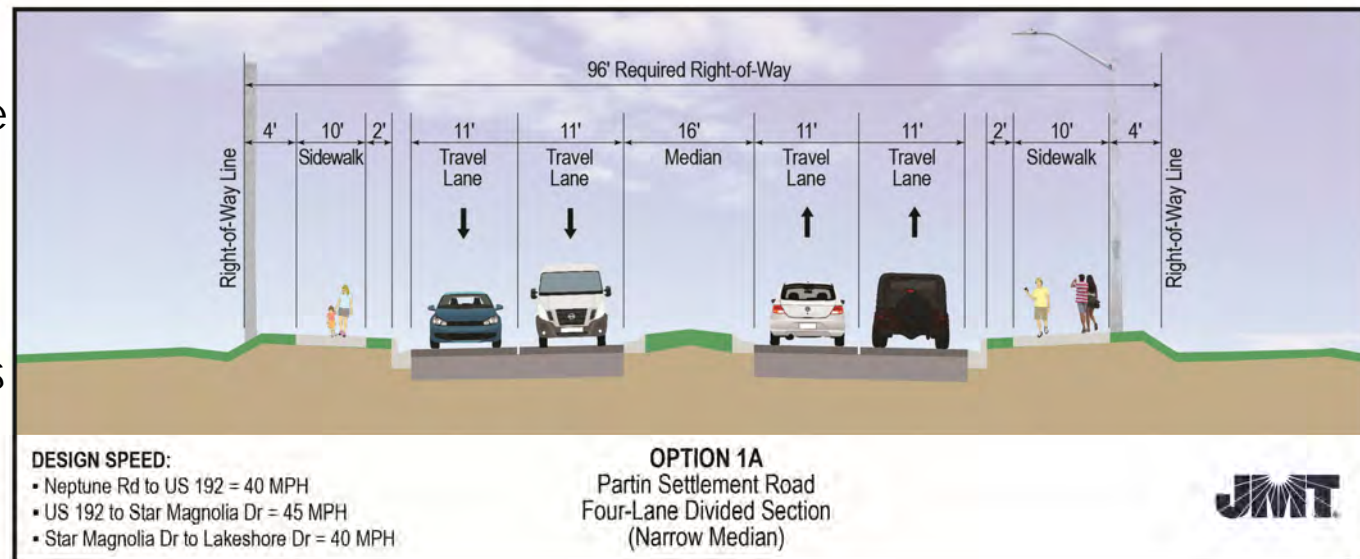

- Four typical section alternatives being evaluated
- All options provide four travel lanes with a center median which is expected to reduce congestion, improve safety, and lower the number of crashes
- All four options also include multi-modal provisions for pedestrians and bicyclists
- All alternatives will provide a closed drainage system and stormwater treatment improvements
- All options provide enhancements to traffic signals and ITS operations

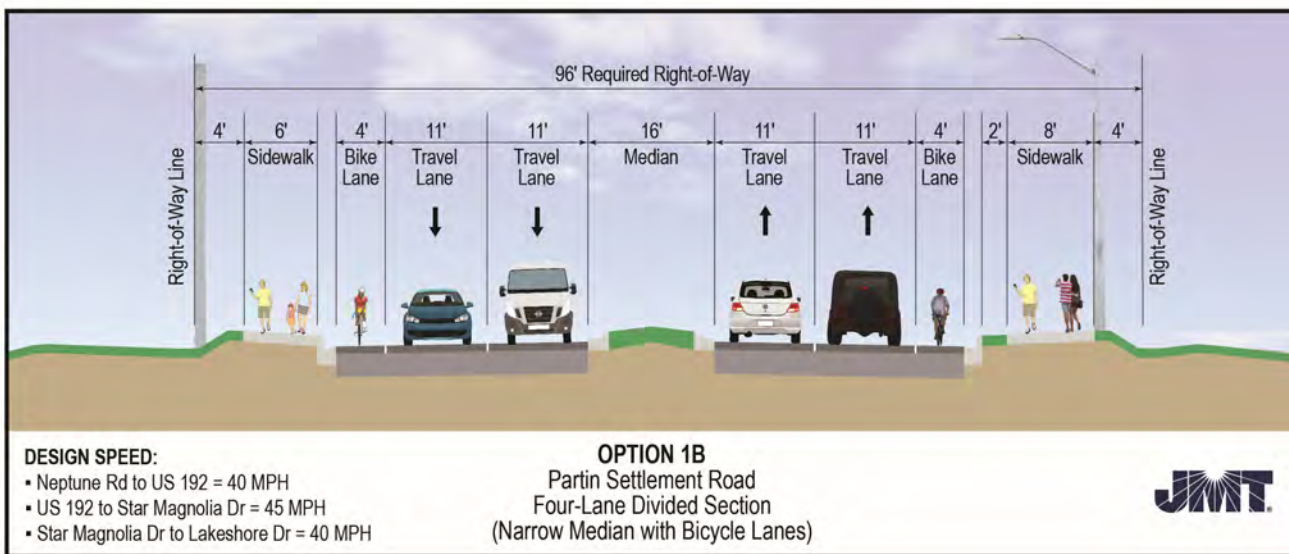

Proposed Alternative 1A

- Four-lane divided urban section with a 16-foot-wide median to enhance safety
- 10-foot-wide sidewalks to accommodate pedestrians and bicyclists
- Closed drainage system
- Required right-of-way is 96 feet which is less than Options 2 and 3

Proposed Alternative 1B

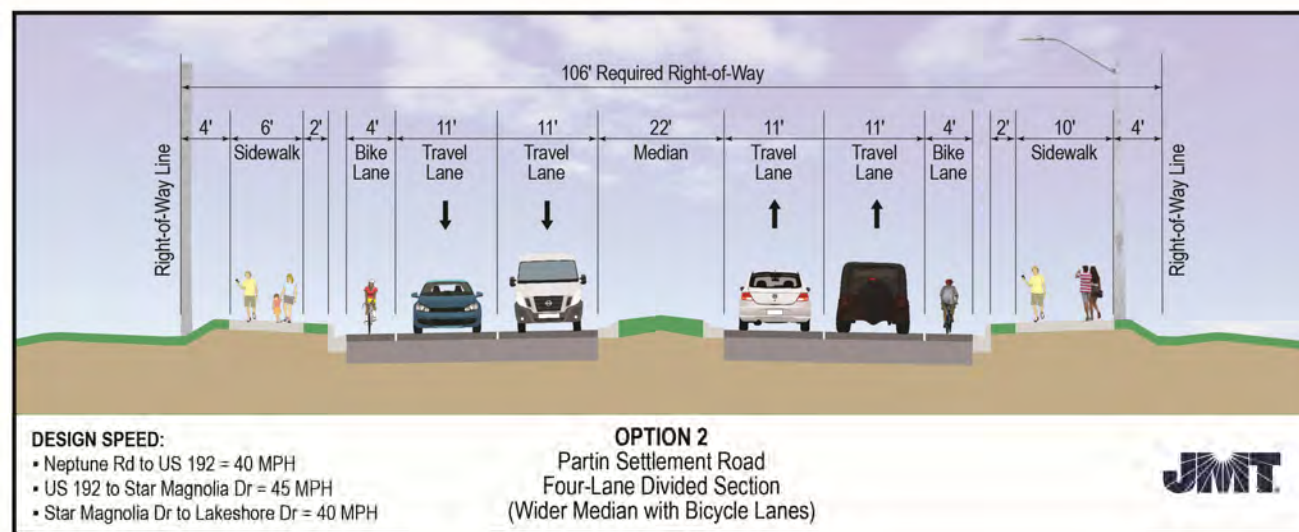

- Four-lane divided urban section with a 16-foot-wide median to enhance safety
- 6-foot-wide and 8-foot-wide sidewalks
- On-road bicycle lanes allow bicyclists to be separated from pedestrians
- Closed drainage system
- Required right-of-way is 96 Feet which is less than Options 2 and 3.

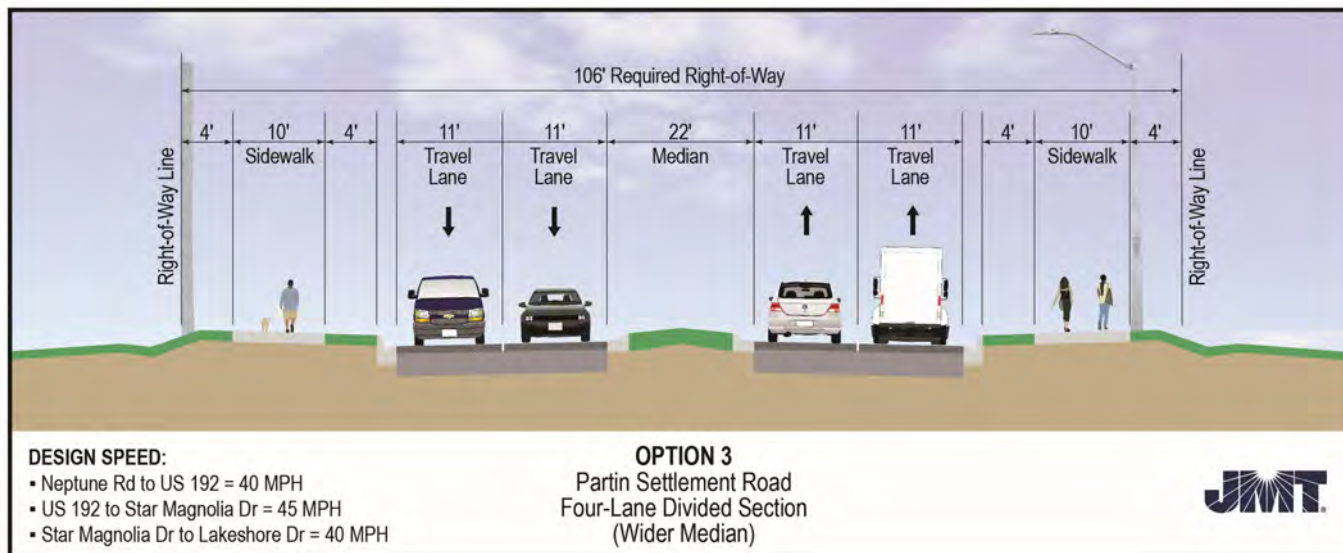

Proposed Alternative 2

- Four-lane divided urban section with 22-foot-wide median which provides a wider area for refuge
- 6-foot-wide and 10-foot-wide sidewalks
- On-road bicycle lanes allow bicyclists to be separated from pedestrians
- Closed drainage system
- Required right-of-way is 106 feet

Proposed Alternative 3

- Four-lane divided urban section with 22-foot-wide median which provides for a wider area for refuge
- 10-foot-wide sidewalks on both sides of road
- Closed drainage system
- Required right-of-way is 106 feet.

LEGEND LITTLE/NO IMPACTS MEDIUM IMPACTS HIGH IMPACTS

^dThe community facilities impacted are churches within the corridor. These church impacts are accounted for in the total parcels impacted as a business.

**This project may be phased based on final traffic analysis results. The costs shown reflect the total preliminary estimated projects costs from Neptune Road to Lakeshore Boulevard.

Project Schedule

Alternatives Evaluation

- Refine alternatives
- Staff recommendation
- BOCC to choose preferred alternative spring 2021

Final Design

- To begin early 2021
- Completion in fall 2022

Right-of-Way

- Acquisition to begin early 2022

Construction

- Expected to begin fall 2023

Right-of-Way Process

For More Information, Contact:

Sally Myers

Right-of-Way and Asset Manager

Osceola County

407-742-0502

Sally.Myers@osceola.org

- Exact right-of-way needs will be refined during final design
- Osceola County will contact affected property owners directly to begin discussions

We Want to Hear from You

In-Person attendees:

- Speak with project team members
- Complete a comment form and drop it in the comments box
- Take a comment form with you and send it back to the address shown on the form
- Call or email the project team directly after the meeting by phone at 407-742-0557 or email at Conroy.Jacobs@osceola.org

Please see responses to your questions below. Please note that this project is still in the alternatives' evaluation phase, and no final decisions have yet been made on the potential improvements, including a preferred typical section or alignment. The answers below reflect our preliminary concepts.</p> <ol style="list-style-type: none"> 1. Will the road design include right and left turn lanes to Simmons Road? The preliminary concept includes a left turn at Simmons Road. However, forecasted traffic demands do not indicate a need for a dedicated right turn lane at Simmons Road at this time. 2. Has a decision been made on where additional ROW would be taken? Right-of-way has not yet been determined. The County has developed several alternatives regarding different typical sections and alignments. After the public meeting on January 21, the project team will refine the potential alternatives, taking public comment into

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

				<p>consideration. Then County staff will recommend a preferred typical section and alignment to the Board of County Commissioners, which will vote to authorize advancement of the preferred alternative to design. The right of way needs will be determined during the design phase.</p> <p>3. If ROW is taken from the Centro Cristiana Church and the retention pond and landscaping are impacted, will the county pay for restoring the pond and the landscaping? As mentioned, right-of-way needs have not been determined. Once right-of-way needs are established, Osceola County would begin negotiations with the impacted property owners. Details such as this would be addressed at that time.</p> <p>4. Has a timeline for design and construction been established? The current project schedule shows design finishing in late 2022, with construction starting in 2023. Please note the schedule could change for a variety of reasons. Osceola County will continue to keep the community updated on the plans for the improvements.</p> <p>Please let us know if you have any additional questions.</p> <p>Thank you, Carolyn</p>
<p>1/21/21 (VPM)</p>	<p>Thomas Demmitt</p>	<p>tommacman21@gmail.com</p>	<p>Will a new (wider) overpass across the Florida Turnpike be needed?</p> <p>Will new bus routes for school children be developed with the construction changes/road closures?</p>	<p>Yes, this project is being coordinated with the Florida's Turnpike who intends to build two new bridges for Partin Settlement Road, one for each direction of traffic, as part of the Turnpike's mainline widening improvements.</p> <p>The goal of the traffic control plan is to minimize disruption of any current travel patterns. We do not anticipate any changes to school bus routes, but we are still in the study phase and have not begun final design.</p>

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

<p>1/21/21 (VPM)</p>	<p>Wendy Fellner</p>	<p>wendi@wendiops.com</p>	<p>Are any changes planned to the intersection of Partin Settlement and Neptune to address congestion there?</p> <p>Is there any data available on injury rates for bicyclists using the on-road path vs separate multi-use sidewalk?</p>	<p>We are studying this area and have tentatively identified the option of providing dual southbound to eastbound right turn lanes as one means to improve congestion.</p> <p>At this point, we do not have any data available on injury rates for bicyclists using on-road paths versus a separate multi-use sidewalk.</p>
<p>1/21/21 (VPM)</p>	<p>John Leber</p>	<p>thelebers@msn.com</p>	<p>Our property is both on the Turnpike and Partin Settlement Road. Look like both you and the State are going to be taking land from Gateway Baptist Church. Is this a fair assessment of what you and the State are doing?</p>	<p>Right of way acquisition is anticipated for this project. Some is expected to be from the church, as well as along the south side of Partin Settlement Road from 1-92 to east of Red Jasper. We are trying to minimize those Right of way acquisitions as much as possible. Right of way needs will be finalized during design. For right of way questions, please contact Osceola County Right of W and Asset manager Sally Myers at 407-742-0502 or email at sally.myers@osceola.org.</p>
<p>1/21/21 (VPM)</p>	<p>Jason Lindsey</p>	<p>Jason.Lindsey@osceolaschools.net</p>	<p>Please schedule a meeting with the School District Planning Services Dept. regarding the access at the church entrance east of Remington Blvd. The School District has an access easement to use the church driveway for school use.</p>	<p>The County will contract the school district to discuss the planned improvements. Currently, the study intends to provide a left turn lane to allow traffic to enter the church driveway, though exiting traffic would only be allowed to make a right turn from the driveway.</p>
<p>1/21/21 (VPM)</p>	<p>Daisy Mendoza</p>	<p>daisymendoza@hotmail.com</p>	<p>Any plans to install a pedestrian bridge at U.S. 192?</p>	<p>Pedestrian safety is important and the County is always looking for opportunities to improve safety. The right-of-way is relatively tight in this area which limits the possibility of providing a pedestrian overpass, thus there are no plans at this time to construct a pedestrian bridge at U.S. 192. However, we will provide various pedestrian safety measures, such as signal phasing, as part of the improvements.</p>
<p>1/21/21 (VPM)</p>	<p>Jose Rodriguez</p>	<p>jrodriguez@lacasacristiana.org</p>	<p>Is there any plans on elevating the roadway between the existing bridge over the Turnpike and Remington intersection?</p>	<p>The new bridges over Florida's Turnpike will be at a higher elevation in order to span the proposed Turnpike widening which will require deeper girders and result in the need to raise the elevation of Partin Settlement Road above the current roadway.</p>

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>Can we anticipate the building of turn lanes for businesses and churches at the medians?</p> <p>What can be expected with the drainage of the project of Phase 1?</p> <p>How can I know if the intersection at Remington will increase in linear length?</p> <p>Will the business and church properties get concrete driveways or asphalt with curb and gutter?</p> <p>Any light poles in Phase 1?</p> <p>Will the Turnpike project affect in any way the expected dates of construction and development?</p>	<p>We are still early in the design process, so we do not know just yet exactly where all the turn lanes will be located. the safety and operational goals of the project. Subject to achieving safety and operational goals for this project, the County will accommodate entrances to the businesses and churches along the corridor to the greatest extent possible.</p> <p>Currently, this area has an open ditch drainage system. The intent of this project is to provide a closed storm sewer system and route the drainage to ponds where the water can be treated and discharged in a gradual manner. The ponds help to improve water quality by separating out contaminants.</p> <p>Currently, there are no plans to change the present width of the north approach at the Partin Settlement Road/Remington Boulevard intersection.</p> <p>The type of driveways will depend on traffic demands and the functional use of property. The type of driveway will be determined during final design</p> <p>The County plans to include lighting as part of this project along the entire corridor.</p> <p>We are currently coordinating the construction of both projects. At this time, we do not expect the Florida's Turnpike project to affect this project.</p>

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>Jose Rodriguez jrodriguez@lacasacristiana.org Subject: Public Meeting – Response to Questions/Comments Partin Settlement Road Improvements From Neptune Road to Lakeshore Boulevard Osceola County, Florida Project No.: PS-20-11504-DG Dear Mr. Rodriguez,</p> <p>On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us. You had several questions, including if there are any plans to elevate the roadway between the existing bridge over the Florida's Turnpike and the Remington Boulevard intersection. The new bridges over Florida's Turnpike will be at a higher elevation in order to span the proposed Turnpike widening, which will require deeper girders and result in the need to raise the elevation of Partin Settlement Road above the current roadway. You asked if the project anticipates building turn lanes for businesses and churches at the medians. The exact locations of median openings and turn lanes will be finalized during the design phase once the County has chosen a preferred alternative. Subject to achieving safety and operational goals for this project, the County will accommodate entrances to the businesses and churches along the corridor to the greatest extent possible. You also asked what can be expected with the drainage of the project in Phase One. Currently, this area has an open ditch drainage system. The intent of this project is to provide a closed storm sewer system and route the drainage to ponds. The ponds will help to clean the water and allow it to discharge slowly back into the ground. You wanted to know if the intersection at Remington Boulevard will increase in linear length. As shown in the public meeting displays, this project is not proposing to change the existing width of Remington Boulevard, and an appropriate median opening on</p>

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>Is there a plan to take any property on the Sheriff property across from Gateway Baptist Church. We have already lost property in other project without compensation</p>	<p>Some right of way acquisition is expected along the south side of Partin Settlement Road from 192 to east of Red Jasper. Detailed right of way needs will be determined during the design phase.</p>
1/21/21 (VPM)	Karla Wong	karla.wong@osceola.org	<p>Noticed some of the alternatives had sidewalks that were different width. What determined which side of the road gets a wider/smaller sidewalk? Just curious</p>	<p>The four typical sections under consideration have sidewalks which range from 6 feet to 10 feet throughout most of the project. The sidewalk width will be determined by the availability of right of way.</p>
1/21/21 (VPM)	Daniel Bumpus	dan@bumpusandassociates.com	<p>Will phase one, which goes past Remington, also go to Simmons Road? Will improvements be made to the access to Simmons Road?</p> <p>If the taking of ROW involves modification of existing retention ponds, landscape and irrigation, will the county include the restoration in the construction?</p>	<p>This project may be divided into two parts, depending on traffic demands. The portion from Neptune Road to east of Remington will have transitions to existing Partin Settlement Road in the vicinity of Simmons Road, which will be further defined during final design.</p> <p>As mentioned, right of way needs have not been fully defined at this time. Once right of way needs are established, Osceola County will begin negotiations with the impacted property owners. Details such as this would be addressed at that time.</p>
1/21/21 (VPM)	Jeanie Donohue	jwu2you@gmail.com	<p>I am writing on behalf of Audubon & the Florida Sandhill Preservation Society. We have concerns regarding the 'Life Pathways' our resident endangered birds need to survive going forward. Also, given the experience of Melbourne who had high bird mortality foraging on their median strips, switched to paved or bricked strips w/no grassy swaths to lure & endanger our valuable eco-friendly avian birds.</p> <p>ALSO, increasing the traffic capabilities of this route around the lake significantly injures birds seeking to cross the road from East Lake into town.</p> <p>And if the answer that the construction of these improvements will not impact the avian or native</p>	<p>As part of the evaluation for each alternative, environmental assessments have been conducted, including surveys regarding impacts to endangered or protected species within the proposed improvement area. Our study revealed no adverse effects to endangered or protected species.</p> <p>The scope of this project is intended to end the Partin Settlement Road widening on the western approach to the Lakeshore Boulevard intersection. Consequently, the traffic capabilities of the existing roads around the lake would not be increased.</p> <p>While studies have been conducted regarding impacts to endangered or protected species within the proposed improvement area, there</p>

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>creatures, have there actually been any studies done???</p> <p>In addition, I am concerned about the rates of traffic speed that could pick up on these new arterial routes. Slow walking birds & little old ladies (speaking from experience!), don't have much chance crossing fast moving roads as were improved at the corner of Route 15 & Rummell, making Rummell/Lakeshore a much more crowded road. There need to be many places made on the lake side of these road improvements to accomodate crossing of pedestrians, both human & animals. Kind of like bear & deer bridges farther North in Florida. Having come upon accidents on the two lane Partin Settlement Road, it would be good to be improved, but our groups do want to ensure that one of the great eco-draws to our area, our fantastic birds, are especially considered in the planning.</p> <p>Also, speaking up for the Native Plant Society & Audubon, we would very much like to be consulted on any plantings & avian-friendly landscaping to be planned around the retention ponds/wetland options along any of the planned improvements.</p> <p>The Sandhill Crane Preservation Society in particular feels that the construction of the median strips needs to be made with consultation with our organization, as if wrongly constructed with turf, etc. can be big draws for the Cranes, thus putting them in harm's way.</p> <p>Would like the Project Management to draw on the input of the Florida Sandhill Crane Preservation Society, President, Jeanie Donohue ~(407)738-7001, jwu2you@gmail.com. Our organization works with the FWC to protect these particular birds who are critically imperiled & endangered on the National Records. The land at</p>	<p>have been no studies conducted regarding the indicated issue at Lakeshore Boulevard.</p> <p>The proposed speed limits on Partin Settlement Road are expected to either remain the same or be reduced.</p> <p>The County is available to meet with interested members of the public to discuss this topic.</p> <p>We appreciate your interest and will be in touch to discuss your concerns and suggestions.</p>
--	--	--	---	--

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>the new eastern terminus plan of the Partin Settlement Road is the prime area for a full 1/10 of the entire population of these birds & needs to be considered carefully or our county will have extinguished a very great asset for both our citizens & international birders. Life pathways, signage, median construction & speed limits in affected area should be talked considered by our mutual conversations on each of these topics.</p> <p align="center">Thank-you, J. Donohue</p> <p>Also, of course, it would be great if your Project Management plan could include our local Kissimmee Valley Audubon Society's expertise in ensuring the planting of any project be beneficial to both humans & our valued avian population. Our local Pine Lily Chapter of the Native Plant Society could assist in ensuring the retention/wetland areas are in keeping with our Native species. Water run off & retention areas could be enhanced as well through the expertise of our local FL Institute of Science water quality forward thinking scientists. Respectfully, J. Donohue</p> <p>On a personal level, my home is on an important extension of these Partin Settlement improvements. For almost 3/4 of a century my home has been situated along this route. The traffic, both auto & laden trucks & equipment that has increased on this route since the improvements at the terminus of 15 & (Rummell/Lakeshore extention) resulting in an notable increase in the vibrations along this route, Will extra traffic along the traffic routed to Lakeshore Drive further increase the vibrations which are shaking the very foundations of my dwelling & surely others along this route?</p> <p>The allowable speeds of any vehicle, especially heavier ones, impacts the settling of the predominantly sandy soils in the areas. For this reason alone, I would lobby for keeping the speed limits below 35mph, ideally 30mph & 25mph in</p>	<p>We appreciate your interest and will be in touch to discuss your concerns and suggestions.</p> <p>The new roadway will be built to current standards to address the anticipated truck traffic.</p> <p>Traffic speeds are determined after engineering analyses have been undertaken to determine the prevailing operating speed of motorists. The proposed speed limits on Partin Settlement Road are expected to either remain the same or be reduced.</p>
--	--	--	---	--

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>areas where there are known animal, children & human habitation.</p> <p>I am speaking predominantly regarding the eastern extension of these Partin Settlement plans. If I, as a citizen with known friends who are bike riders, and considering that young people on skateboards & bicycles would be in harm's way if any of your plans allowed for only "experienced" bike riders. So, a wider pedestrian option sounds good:)</p> <p>But, really, would like some serious consultation with your project management with our Sandhill Crane experts. We have already been given the green light by the Osceola County Planning Director to begin work on signage for the Sandhill Cranes in particular. (Signage to be place throughout Osceola County at intersections where the Cranes need to cross existing roadways.) ...As East Lake proximal to the eastern extension of your proposed improvements is where our FWC Imperiled Cranes both roost in the evenings, as well as brood & rear their chicks, this area is extremely important to plan with them in mind. Eco-tourism/Birding is second only to boating as a recreational draw for tourists & an asset to our citizenry, so any &/all efforts to accommodate our avian population would obviously benefit the birds, but our County's income as well.</p> <p>Will reach out via other methods you suggested, Thomas, on behalf of the Sandhills & our local Citizen Scientists at the Kissimmee Valley Audubon Society. We appreciate the opportunity to have the County Planners consider the input of their citizens & local conservation organizations.</p> <p>Sincerely, Ms. Jeanie Donohue</p>	<p>Your preference for wider pedestrian sidewalks rather than on-road bicycle lanes will be considered during the evaluation of alternatives.</p> <p>We appreciate your interest and will be in touch to discuss your concerns and suggestions.</p>
<p>1/21/21 (In Person Public Meeting)</p>	<p>April Bennett</p>	<p>Aprilyn729@hotmail.com</p> <p>1100 E. Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			well. If reduced the width of the new plan you save some expense and still achieve the goal.	
1/28/21 (called and left message after meeting)	Benti Miller	2070 Partin Settlement Road Kissimmee, FL 34744 407-288-2433	Ms. Benti Miller called and she would like to speak with a project team member. Her number is 407-288-2433.	
1/29/21 (emailed after public meeting)	Keith Smith	keith@icefactory.com 2221 Partin Settlement Rd Kissimmee, FL 34744	<p>From: Keith Smith [mailto:keith@icefactory.com] Sent: Friday, January 29, 2021 2:09 PM To: Conroy D Jacobs <Conroy.Jacobs@OSCEOLA.ORG> Subject: Project # PS-20-11504-DG Public Comment</p> <p>Hi Mr Jacobs,</p> <p>I'd like to pass along some comments and recommendations for the Partin Settlement Rd widening project.</p> <p>I'm the General Manager of the Ice Factory, located at 2221 Partin Settlement Rd.</p> <p>Based on the renderings that were available at the public meeting, I have a few concerns and questions.</p> <p>I'd like to recommend a left-hand turn lane into our property. I would venture to say that approximately 60-70% (if not more) arrive from the Shady Lane/Neptune road direction. Not having a left turn option into our property would likely cause more congestion and accidents as people attempt to U turn to come back to our property. Traffic comes in large inflows/outflows at our events. Having to make a U turn to come to our property could cause serious traffic concerns.</p> <p>I'd also like to recommend a right-hand turn into our facility for the same reason. To mitigate potential for rear end collisions, it would be ideal.</p>	<p>(Suggested responses)</p> <p>We are just starting the design process, so we do not know just yet exactly where all the turn lanes will be located. Subject to achieving safety and operational goals for this project, the County will accommodate entrances to the businesses and churches along the corridor to the greatest extent possible.</p>

Partin Settlement Road Widening from Neptune Road to Lakeshore Boulevard Alternatives Evaluation: PS-20-11504-DG

			<p>entryway to our property, and alterations that may be required to our sign, and entryway to provide ample safe access to the property by our customers.</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely,</p>  <p>General Manager Ice Factory of Central Florida</p>	<p>The County will be in touch regarding this matter.</p>
<p>2/6/21</p>	<p>Ramon Fonseca</p>	<p>Ramonf66@earthlink.net 2998 Partin Settlement Rd.</p>	<p>From: Ramon Fonseca [mailto:ramonf66@earthlink.net] Sent: Saturday, February 6, 2021 5:49 PM To: Conroy D Jacobs <Conroy.Jacobs@OSCEOLA.ORG> Subject: Partin Settlement Road project</p> <p>Mr Jacobs,</p> <p>Hi, my name is Ramon Fonseca, I live at 2998 Partin Settlement Road, I heard about the project through a friend that lives in Lakeshore Blvd. I'm concerned because I have not received any notice about the public meetings discussing this project and I'm one of the potentially affected owners. If the road will be widened does that mean I will be loosing footage in my property, I have a fence along Partin Settlement, I also have 3 gates to my property, 2 vehicular and one personal, I also have running in my property storm water ditches. How will this affect me? Is there a way I can get notifications of meetings about this project?</p> <p>Thank you. Ramón Fonseca</p>	<p>Mr. Fonseca,</p> <p>I am sorry you did not receive the mail. We have checked our mailing list and ensured that your name and address is on there for future correspondence.</p> <p>Some right of way acquisition is expected along the south side of Partin Settlement Road from 192 to east of Red Jasper. The County has taken steps to minimize the right of way impacts where possible. Right of way will be refined during the design phase once the preferred alternative has been approved by the Board of County Commissioners. In the meantime, please contact Osceola County Right of Way and Asset Manager Sally Myers with any questions at 407-742-0502 or sally.myers@osceola.org.</p> <p>All the information regarding this project, including the presentation from the meeting, can be found online at www.osceola.org/go/partinsettlement. If you have any questions or comments, you can also contact project manager Conroy Jacobs at 407-742-0557 or at Conroy.Jacobs@osceola.org.</p>

Project No.: PS-20-11504-DG

Dear Pastor Arias,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions and comments with us.

You mentioned that you would like to be contacted in order to show church plans that would include a turn lane that the church is going to have to pay for. You believe the city should pay for the turn lane. County staff is happy to meet with you to discuss these plans and will be in touch.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Thank you.

Dear Mr. Bast,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your comments with us.

You mentioned that after looking at the plans, you like Option 1A. County staff will consider all comments and suggestions in choosing a preferred alternative to recommend to the Osceola County Board of County Commissioners, which will then vote to advance a preferred alternative to design.

The community will have another opportunity to review the plans of that selected alternative during the design phase.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Ms. Bennett,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions and comments with us.

You expressed concern about drainage at the property on your corner. You also mentioned that you preferred either Option 1A or Option 3. Currently, this area has an open ditch drainage system. The intent of this project is to build an enclosed storm sewer system, which will carry the water to ponds. The ponds will help to clean the water before allowing it to be slowly discharged back into the existing ditch system along the corridor. The corner property should not experience any additional water runoff from what it does today.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG**

Dear Mr. Bumpus,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You wanted to know if Phase One, which goes past Remington Boulevard, will also go to Simmons Road and if improvements will be made to the access to Simmons Road. This project may be divided into two parts, depending on traffic demands. The portion from Neptune Road to east of Remington Boulevard will have transitions to existing Partin Settlement Road in the vicinity of Simmons Road, which will be further defined during the upcoming final design phase of the project's development.

You also asked, if the taking of right-of-way involves modification of existing retention ponds, landscape and irrigation, and whether the county includes restoration in the construction. As mentioned, right-of-way needs have not been fully defined at this time. Once right-of-way needs are established, Osceola County will begin negotiations with the impacted property owners. Details such as this would be addressed at that time. For specific right-of-way questions, please contact Osceola County Right of Way and Asset Manager Sally Myers at 407-742-0502 or sally.myers@osceola.org.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Mr. Demmitt,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You asked if a new, wider, overpass across Florida's Turnpike will be needed. The answer is yes. This project is being coordinated with the Florida's Turnpike, which intends to build two new bridges for Partin Settlement Road, one for each direction of traffic, as part of the Turnpike's mainline widening improvements.

You also wanted to know if new bus routes for school children will be developed with the construction changes and road closures. The goal of the traffic control plan is to minimize disruption of any current travel patterns. We do not anticipate any changes to school bus routes, but we are still in the study phase and have not begun final design. The project team will coordinate with the schools and the School District of Osceola County to ensure school transportation is accommodated safely.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Thank you.

**Subject: Public Meeting – Response to Questions/Comments
Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG**

Dear Ms. Donohue,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions and comments with us.

You stated you represent the Audubon and the Florida Sandhill Preservation Society. You said you had some concerns regarding the “Life Pathways” the resident endangered birds need to survive and the material that will be used for the medians. You also asked if any studies have been done on this.

As part of the evaluation for each alternative, environmental assessments have been conducted, including surveys regarding impacts to endangered or protected species within the proposed improvement area. Our study revealed no adverse effects to endangered or protected species.

You also worried that increasing the traffic capabilities of this route around the lake could injure birds seeking to cross the road from East Lake into town. The scope of this project is intended to end the Partin Settlement Road widening on the western approach to the Lakeshore Boulevard intersection. Consequently, the traffic capabilities of the existing roads around the lake would not be increased. While studies have been conducted regarding impacts to endangered or protected species within the proposed improvement area, there have been no studies conducted regarding the indicated issue at Lakeshore Boulevard.

You were also concerned about the rates of traffic speed, not just for birds crossing the street, but also for pedestrians and for the settling of sandy soils in the area. The proposed speed limits on Partin Settlement Road are expected to either remain the same or be reduced. Traffic speeds are determined after engineering analyses have been undertaken to determine the prevailing operating speed of motorists.

You also wanted the Native Plant Society and the Audubon Society to be consulted on any plantings and avian-friendly landscaping, and for the Sandhill Crane Preservation Society to be consulted on median strips and signs for Sandhill Crane Crossings. The County is available to meet with interested members of the public to discuss these topics. Due to Covid-19 restrictions, we are currently conducting virtual meetings. We appreciate your interest and will be in touch to discuss your concerns and suggestions.

You mentioned that your home is in this area and wanted to know if extra traffic routed to Lakeshore Boulevard will further increase the vibrations which are shaking your home. The new roadway will be built to current standards to address the anticipated truck traffic.

You were concerned that bicyclists would be in harm's way if the plans allowed for only "experienced" bike riders and thought the wide pedestrian option sounded good. Your preference for those wider pedestrian sidewalks rather than on-road bicycle lanes will be considered during the evaluation of alternatives.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Subject: Public Meeting – Response to Questions/Comments
Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Ms. Fellner,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You asked if there are any changes planned to the intersection of Partin Settlement Road and Neptune Road to address congestion in that area. We are studying this area and have tentatively identified the option of providing dual southbound to eastbound right turn lanes as one means to improve congestion.

You also wanted to know if there is any data available on injury rates for bicyclists using the on-road path versus a separate multi-use sidewalk. While we do not have any data at this time to address your question, the County is committed to developing safe options for pedestrians and bicyclists. In all of the alternatives, bicyclists may choose to ride along the sidewalk. Some alternatives also give them a choice to ride in the on-road bicycle lanes. The County will consider all comments and suggestions to decide which alternative to recommend to the Board of County Commissioners, which will then vote to authorize advancement of the project to design.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Thank you.

Mr. Fonseca,

Thank you for your email regarding the Partin Settlement Road Improvements Project. We apologize that you did not receive the notice regarding this project and have checked our mailing list to ensure that your name and address is correct for any future correspondence. We have placed all information from the meeting on the project web page at www.osceola.org/partinsettlement. Additionally, a member of our project team will be happy to discuss the project with you.

Some right of way acquisition may be needed along the south side of Partin Settlement Road in the vicinity of your property at 2998 Partin Settlement Road, though the exact right of way needs will be determined during the design phase once the preferred alternative has been approved by the Board of County Commissioners. In the meantime, please contact Osceola County Right of Way and Asset Manager Sally Myers with any questions about the County's right of way process at 407-742-0502 or sally.myers@osceola.org.

Please let us know if you would like to schedule a time to discuss the project. If you have any questions or comments, you may also contact project manager Conroy Jacobs at 407-742-0557 or at Conroy.Jacobs@osceola.org.

Thank you.

Subject: Partin Settlement Road project

Mr Jacobs,

Hi, my name is Ramon Fonseca, I live at 2998 Partin Settlement Road, I heard about the project through a friend that lives in Lakeshore Blvd. I'm concerned because I have not received any notice about the public meetings discussing this project and I'm one of the potentially affected owners. If the road will be widened does that mean I will be losing footage in my property, I have a fence along Partin Settlement, I also have 3 gates to my property, 2 vehicular and one personal, I also have running in my property storm water ditches. How will this affect me? Is there a way I can get notifications of meetings about this project?

Thank you.

Ramón Fonseca

Subject: Public Meeting – Response to Questions/Comments
Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Mr. Smith,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions and comments with us.

You requested the County consider incorporating right and left turn lanes into your property. The access management proposed for this project will be refined during the design phase once the County has selected a preferred alternative and alignment. Access management principles are meant to help improve safety and operations on the roadway, and there are several factors that determine the appropriate placement of median openings and turn lanes. That said, we will certainly consider your request for a median opening into your property during the final design phase. However, at this time, a right turn lane into your property is not warranted based on our traffic analysis. The added lane and reduction of congestion should help make right turns into your property easier.

You also expressed concern about potential construction impacts. We appreciate your bringing those concerns to our attention and can make sure the contractor is aware as well. As final plans are developed during design, details such as signage, construction hours, and maintaining access to all businesses and residences will be developed and included in the plans. There will also be an opportunity for the public to review the design and provide comment, and additional outreach will occur before construction.

Regarding damages to your property, the County does require contractors to coordinate with property owners if utility interruptions are needed. The County also requires the contractor to take measures to avoid damage to private property. If damage does occur, the contractor would be responsible for paying for repairs.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Thank you,

Dear Mr. Leber,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You mentioned that your property, Gateway Baptist Church, is both on the Florida's Turnpike and Partin Settlement Road and you wanted to know if we would be taking land from you. Right-of-way acquisition is anticipated for this project and will be determined during the design phase, which is expected to begin in spring 2021 after a preferred alternative is selected by the County. We are trying to minimize right-of-way acquisitions as much as possible. For more about the County's right-of-way process, please contact Osceola County Right of Way and Asset Manager Sally Myers at 407-742-0502 or email at sally.myers@osceola.org.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Mr. Lindsey,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You asked us to schedule a meeting with the Osceola County School District Planning Services Department regarding the access at the church entrance east of Remington Boulevard. You mentioned that the school district has an access easement to use the church driveway for school use. The County will certainly coordinate with the school district to discuss all planned improvements to the corridor. Currently, the study intends to provide a left turn lane to allow traffic to enter the church driveway, though exiting traffic would only be allowed to make a right turn from the driveway. These plans will be refined during the design phase of the project's development.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Ms. Mendoza,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You asked if there are any plans to install a pedestrian bridge at U.S. 192. Pedestrian safety is important, and the County is always looking for opportunities to improve safety. The right-of-way is relatively tight in this area, which limits the possibility of providing a pedestrian overpass. Additionally, pedestrian overpasses are quite costly to construct. Therefore, at this time, there are no plans to build an overpass. However, we will provide various pedestrian safety measures, such as signal phasing, as part of the planned improvements.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

jrodriguez@lacasacristiana.org

Subject: Public Meeting – Response to Questions/Comments
Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Mr. Rodriguez,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You had several questions, including if there are any plans to elevate the roadway between the existing bridge over the Florida's Turnpike and the Remington Boulevard intersection. The new bridges over Florida's Turnpike will be at a higher elevation in order to span the proposed Turnpike widening, which will require deeper girders and result in the need to raise the elevation of Partin Settlement Road above the current roadway.

You asked if the project anticipates building turn lanes for businesses and churches at the medians. The exact locations of median openings and turn lanes will be finalized during the design phase once the County has chosen a preferred alternative. Subject to achieving safety and operational goals for this project, the County will accommodate entrances to the businesses and churches along the corridor to the greatest extent possible.

You also asked what can be expected with the drainage of the project in Phase One. Currently, this area has an open ditch drainage system. The intent of this project is to provide a closed storm sewer system and route the drainage to ponds. The ponds will help to clean the water and allow it to discharge slowly back into the ground.

You wanted to know if the intersection at Remington Boulevard will increase in linear length. As shown in the public meeting displays, this project is not proposing to change the existing width of Remington Boulevard, and an appropriate median opening on Partin Settlement Road was provided. However, these plans will be refined during the design phase of the project's development.

You also wanted to know if the businesses and church properties will get concrete driveways or asphalt with curb and gutter. The type of driveways will depend on traffic demands and the functional use of individual properties. The type of driveway will be determined during final design. You asked about lighting as well. The County plans to include lighting as part of this project along the entire corridor.

Lastly, will the Florida's Turnpike project affect in any way the expected dates of construction and development? We are currently coordinating the construction of both projects. At this time, we do not expect the Turnpike project to affect this project.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Subject: Public Meeting – Response to Questions/Comments
Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Mr. Santiago,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You had a few questions, including how the project affects properties along Partin Settlement Road. Right-of-way acquisition is anticipated for this project along parts of the corridor, but the exact right-of-way needs will be determined during the design phase after a preferred alternative is selected. The County is working to minimize the right-of-way impacts where possible. In the meantime, please contact Osceola County Right of Way and Asset Manager Sally Myers with any questions at 407-742-0502 or email at sally.myers@osceola.org.

You also wanted to know about compensation for potential loss of property. The County will meet with affected property owners to arrive at equitable compensation for any potential loss of property.

Lastly, is there a plan to take any of the Sheriff's property across from Gateway Baptist Church? You mentioned that you have already lost property in other projects without compensation. Some right-of-way acquisition is expected along the south side of Partin Settlement Road from U.S. 192 to east of Red Jasper Drive. Detailed right-of-way needs will be determined during the design phase of the project's development, and Osceola County will then contact affected property owners directly to begin discussions.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Thank you.

Partin Settlement Road Improvements
From Neptune Road to Lakeshore Boulevard
Osceola County, Florida
Project No.: PS-20-11504-DG

Dear Ms. Wong,

On behalf of Osceola County, I would like to thank you for attending the public information meeting for the Partin Settlement Road Improvements Project on Thursday, January 21, 2021, and for sharing your questions with us.

You mentioned that some of the alternatives had sidewalks that were different widths. You wanted to know what determined which side of the road gets a wider or smaller sidewalk. Land uses and associated effects on right-of-way along each side of the corridor are considered in determining an appropriate sidewalk width. Sidewalks are typically designed to be at least 6 feet wide. Wider sidewalks allow pedestrian and bicycle users to share the sidewalk more easily. The alternatives provide different options for the County to consider as it determines which alternative to advance to design.

Again, thank you for joining us for our public information meeting. For more information regarding this project, please contact Conroy Jacobs at 407-742-0557 or by email, Conroy.Jacobs@osceola.org. Information about this project is also available online at www.osceola.org/go/partinsettlement.

Thank you.

APPENDIX G

Partin Settlement Road Improvements Alternatives Study

Neptune Road to Lakeshore Boulevard

Presentation to Osceola County Board of
County Commissioners

March 1, 2021

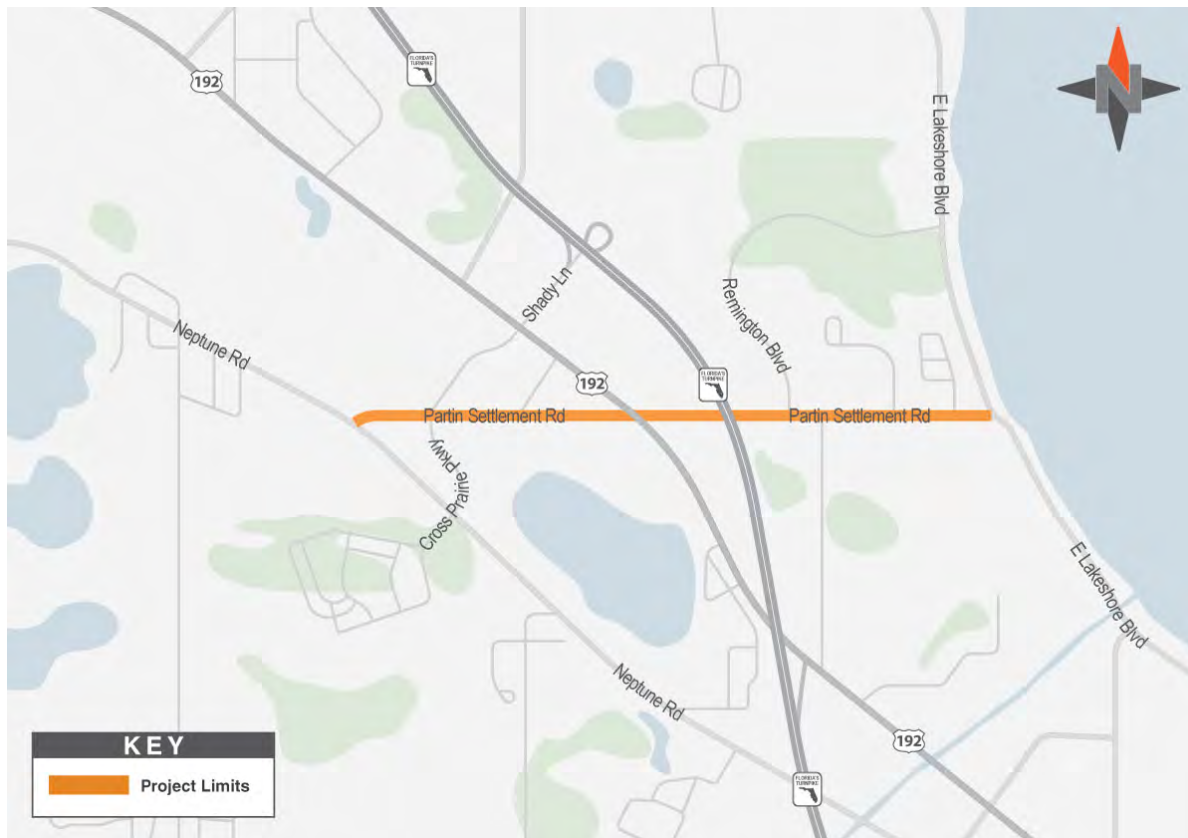

Presentation Contents

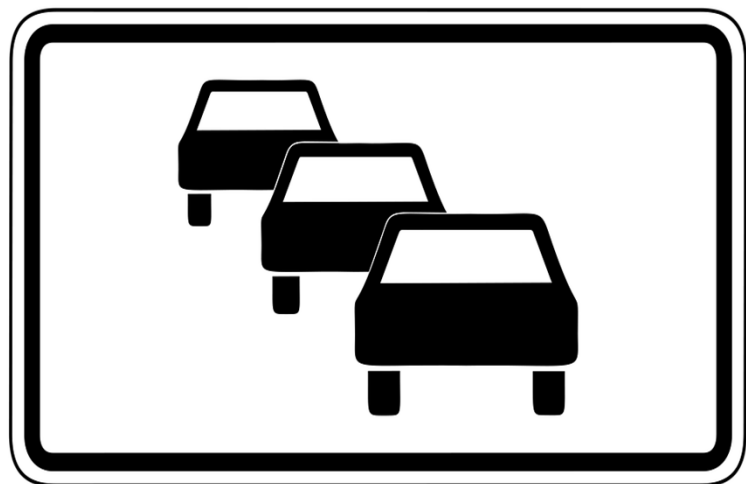

- Project overview, purpose and need
- Current traffic and future demands
- Public involvement activities
- Other alternatives evaluated
- Recommended preferred alternative
- Benefits of recommended alternative
- Project schedule and estimated costs

Project Location

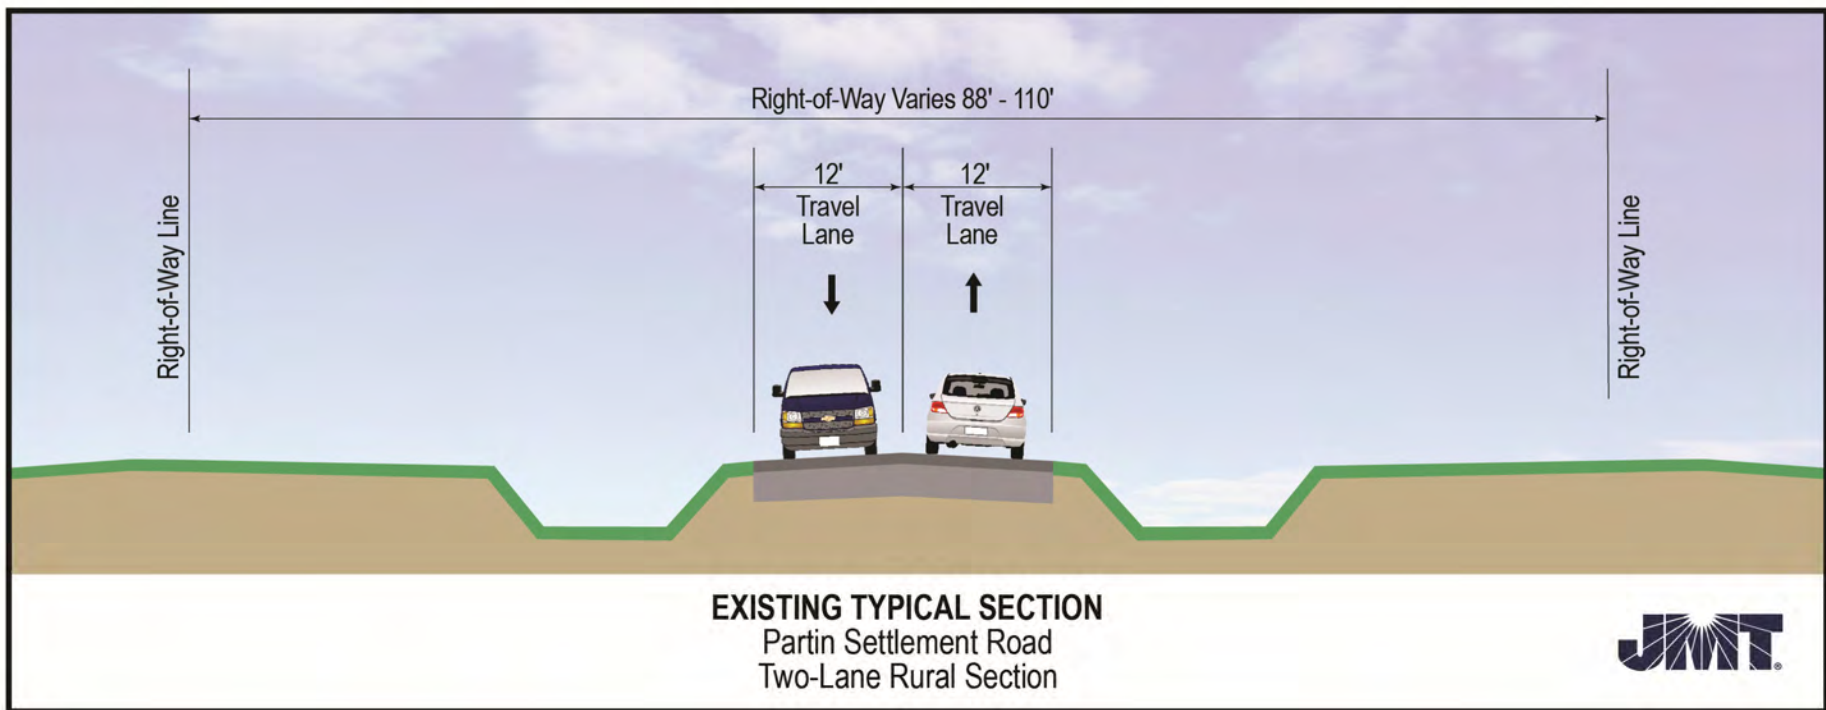

Project corridor extends from Neptune Road to Lakeshore Boulevard, a distance of 2.7 miles

Project Purpose & Need

- Address congestion
- Improve traffic operations
- Enhance safety
- Provide bicycle and pedestrian facilities
- Evaluate existing posted speed limit
- Improve drainage
- Identify access management opportunities
- Minimize impacts to the environment and adjacent properties

Existing Typical Section (No Build)

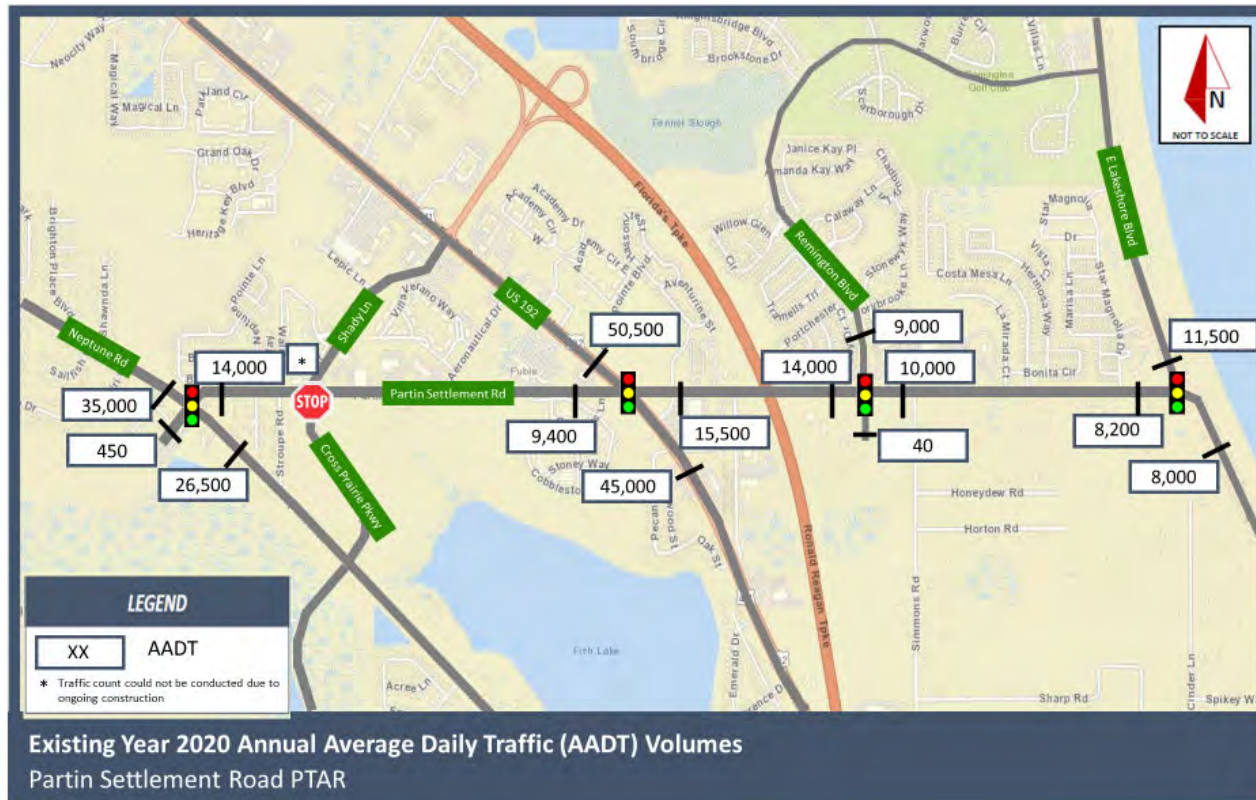

Existing Conditions

- Three lane section in some areas with center two-way left turn lane along part of the corridor
- Intersects with U.S. 192 and crosses over Florida's Turnpike
- Intermittent sidewalk
- Open drainage ditches

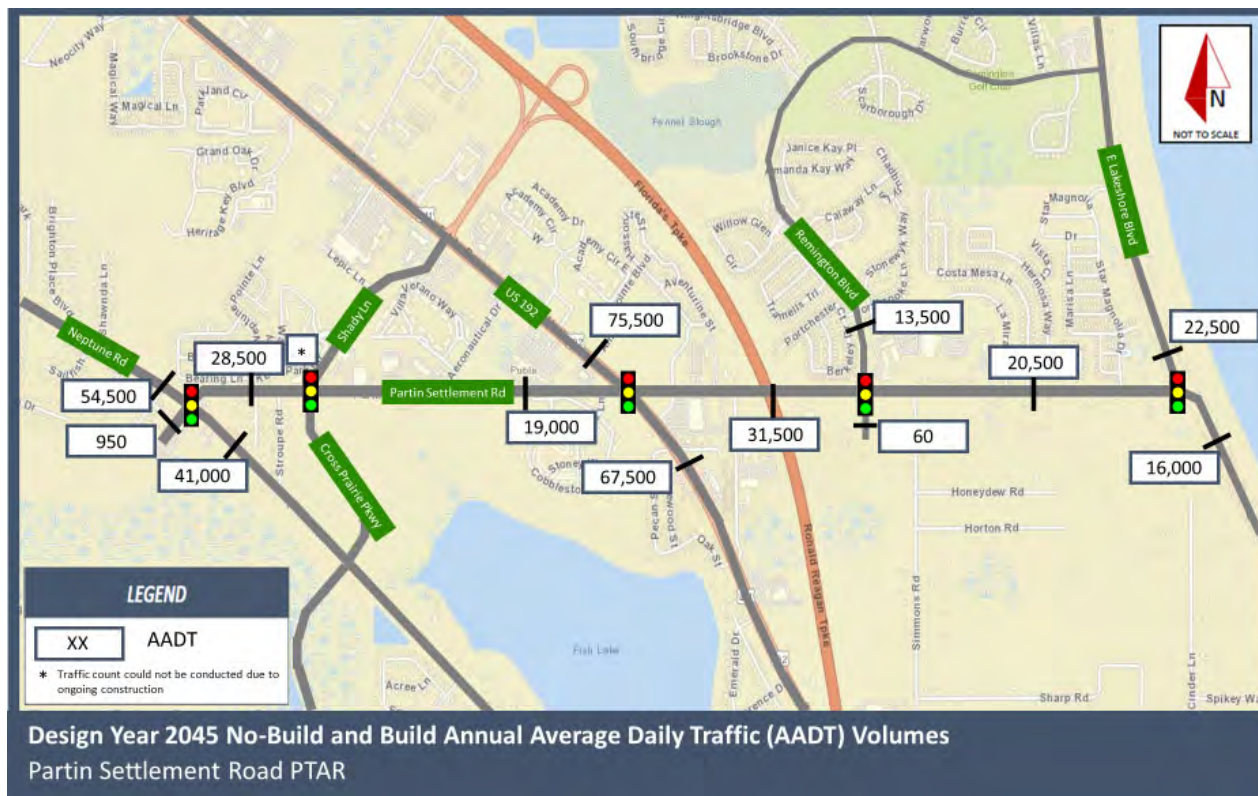

Current Traffic Volumes

- Current average daily traffic counts range from 8,200 to 14,000 vehicles

Traffic Projections - 2045

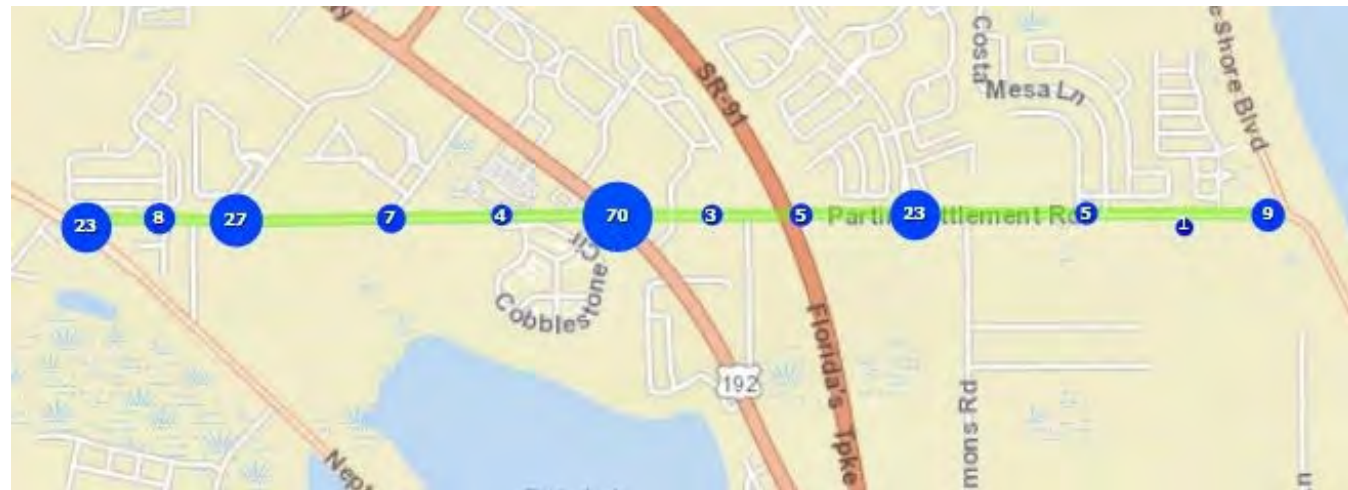

- Estimated average daily traffic volume in 2045 Ranges from 19,000 to 28,500 vehicles
- Traffic demands will require four lanes with median to maintain acceptable operations

Crash History

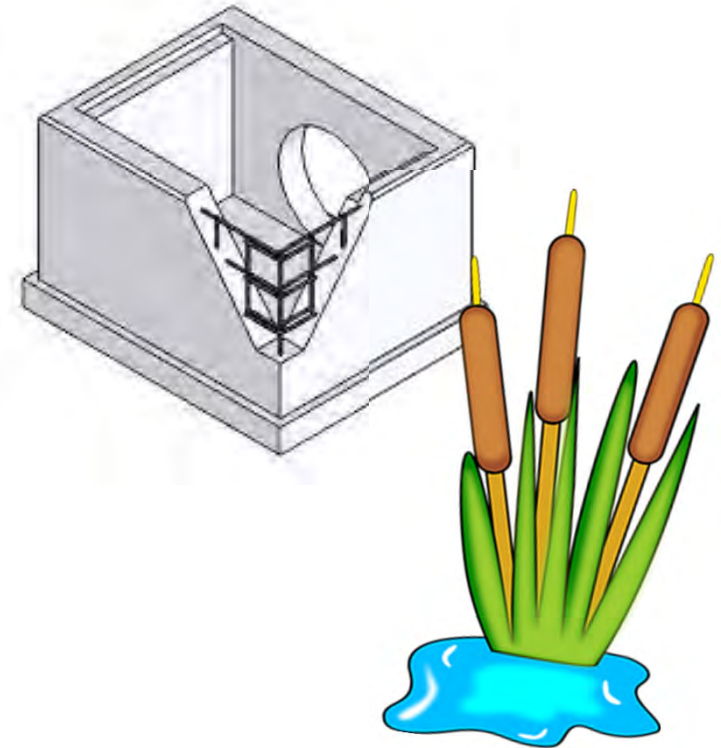

- 185 crashes along Partin Settlement Road (2015-2020)
- 70 collisions at the U.S. 192 intersection
- 32% resulted in injury
- 61% rear-end crashes
- 16% involved left-turn movements

Drainage & Environmental Analysis

- Provide new closed drainage system
- Identify and evaluate alternative stormwater retention pond sites
- Minimize impacts to wetlands and other environmental features
- Additional right-of-way will be required

Public Involvement

- Both in-person and virtual public meetings were held on January 21, 2021
 - 14 attendees at the in-person meeting
 - 27 attendees at the online virtual meeting
- Notifications emailed to elected officials and government partners, and mailed to 1,525 property owners or tenants
- Newspaper advertisement in the *Osceola News-Gazette*, media release and social media post
- Meeting presentation and exhibits available to both in-person and online attendees and posted to the project web page

Public Involvement

- A total of 25 questions or comments were submitted by the general public and are summarized below:
 - Right of way needs
 - Access to properties and location of turn lanes and openings
 - Existing speed limits
 - Drainage improvements
 - Street lighting
 - Project schedule including construction start date and duration
 - Coordination with Florida's Turnpike planned improvements
 - Potential impacts to wildlife
 - Landscaping/median landscaping

Alternatives Evaluated by Study

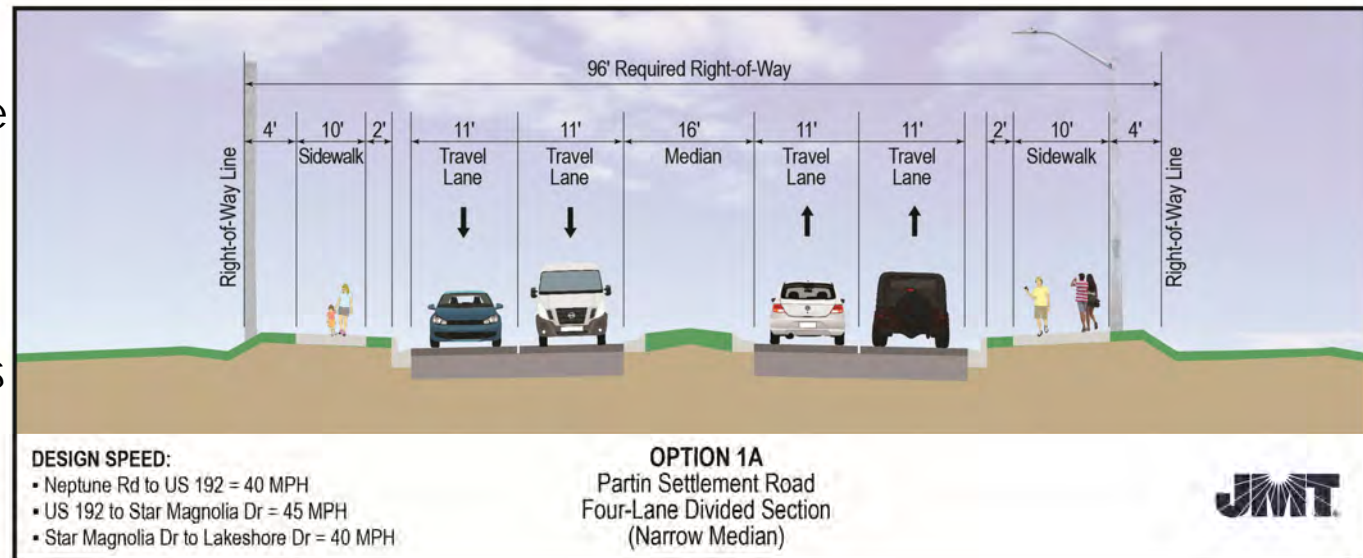

- Two alignment alternatives for the widening improvements were studied:
 - Hold north existing right of way line, shift most of the new improvements to the south
 - Hold south right of way line, shift most of the new improvements to the north
- Four different typical sections were considered with each providing:
 - Four travel lanes with medians, and curb and gutter
 - Multi-modal accommodations for pedestrians and bicyclists
 - Enclosed drainage system
 - Lighting and traffic signal improvements

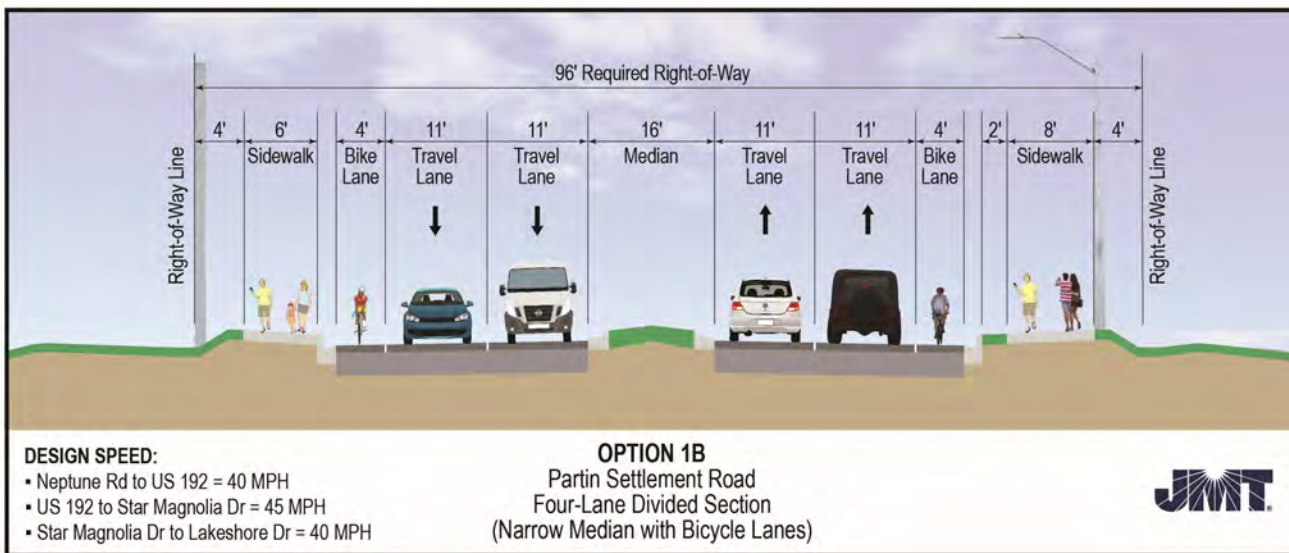

Typical Section Alternative 1A

- Four-lane divided urban section with a 16-foot-wide median to enhance safety
- 10-foot-wide sidewalks to accommodate pedestrians and bicyclists
- Closed drainage system
- Required right-of-way is 96 feet which is less than Options 2 and 3

Typical Section Alternative 1B

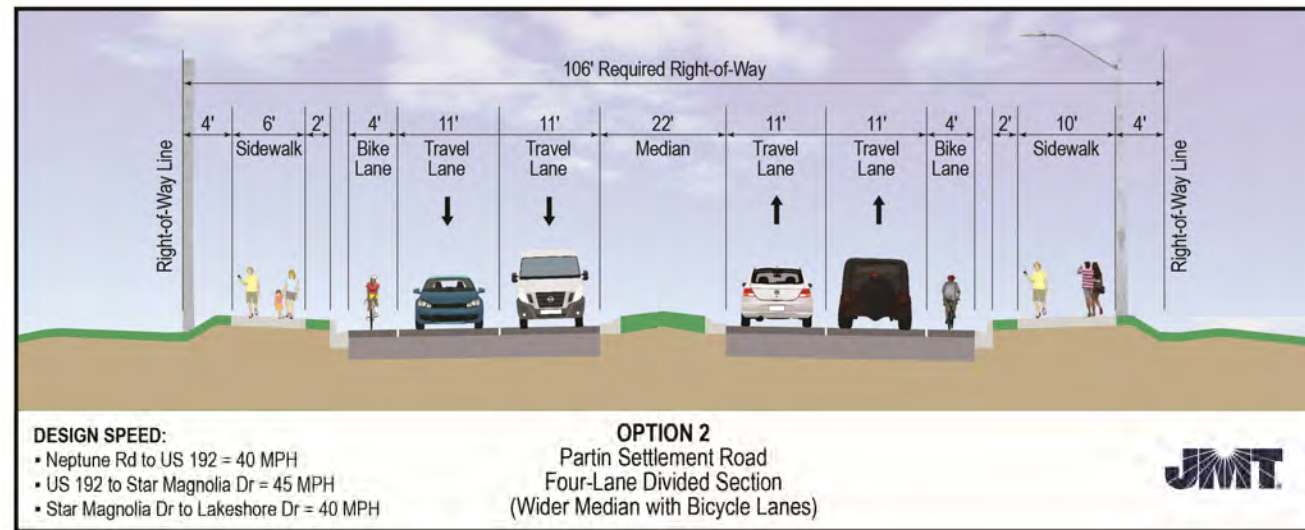

- Four-lane divided urban section with a 16-foot-wide median to enhance safety
- 6-foot-wide and 8-foot-wide sidewalks
- On-road bicycle lanes allow bicyclists to be separated from pedestrians
- Closed drainage system
- Required right-of-way is 96 feet which is less than Options 2 and 3.

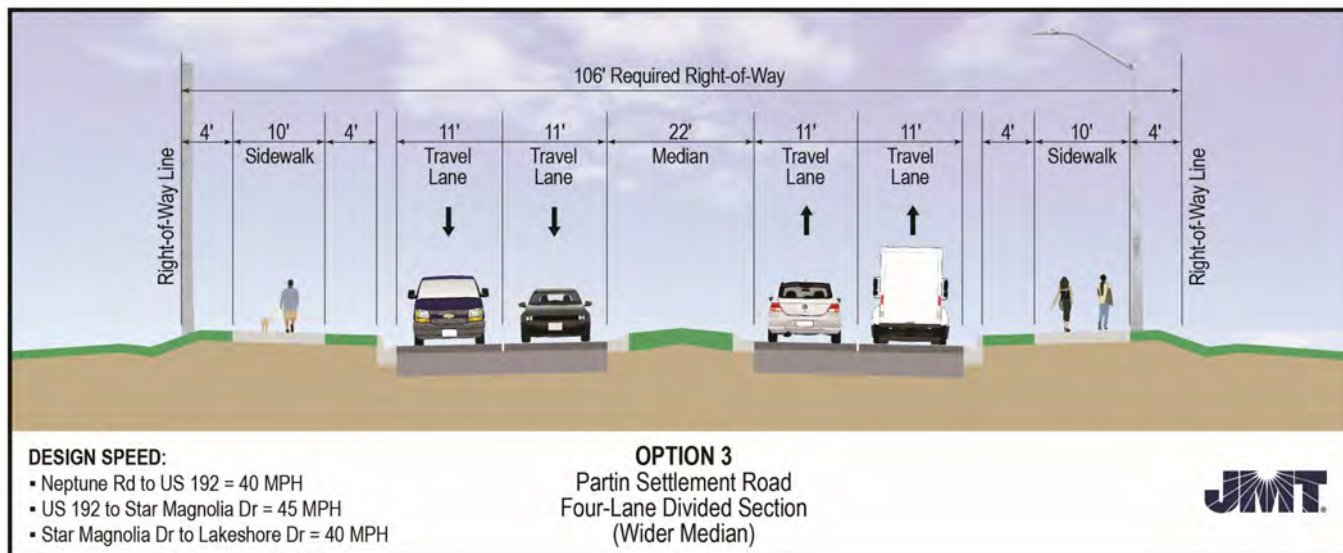

Typical Section Alternative 2

- Four-lane divided urban section with 22-foot-wide median which provides a wider area for refuge
- 6-foot-wide and 10-foot-wide sidewalks
- On-road bicycle lanes allow bicyclists to be separated from pedestrians
- Closed drainage system
- Required right-of-way is 106 feet

Typical Section Alternative 3

- Four-lane divided urban section with 22-foot-wide median which provides for a wider area for refuge
- 10-foot-wide sidewalks on both sides of road
- Closed drainage system
- Required right-of-way is 106 feet.

LEGEND LITTLE/NO IMPACTS MEDIUM IMPACTS HIGH IMPACTS

*The community facilities impacted are churches within the corridor. These church impacts are accounted for in the total parcels impacted as a business.

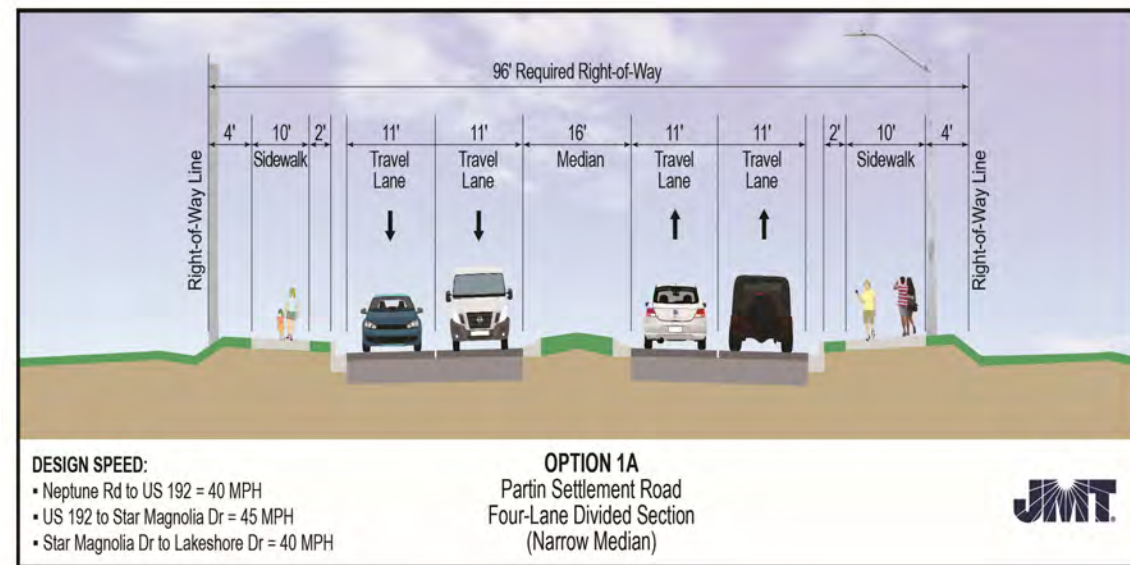

**This project may be phased based on final traffic analysis results. The costs shown reflect the total preliminary estimated projects costs from Neptune Road to Lakeshore Boulevard.

Recommended Alternative – Typical Section 1A, North Alignment

Benefits of the Recommended Alternative

- Additional capacity to meet future traffic demands
- Lowest overall construction and right of way costs
- Fewest parcel impacts
- Medium environmental, wetland and floodplain impacts
- Multi-modal accommodations for pedestrians and bicyclists. Remarks by several attendees at the public meeting did not favor on-road bicycle lanes
- Enclosed drainage system with stormwater treatment ponds

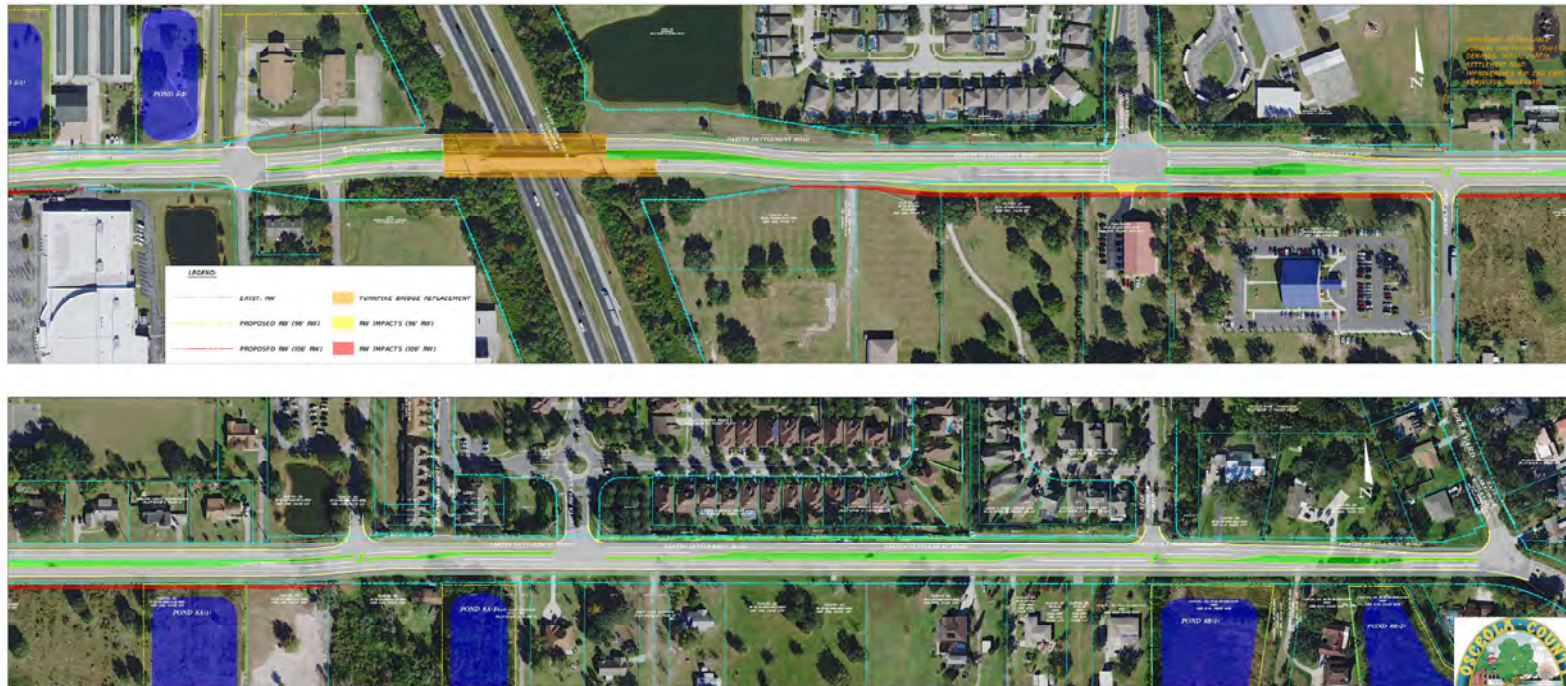

Recommended North Alignment

**PARTIN SETTLEMENT ROAD RECONSTRUCTION
FROM NEPTUNE ROAD TO LAKESHORE DRIVE
(HOLD NORTH R/W ALTERNATIVE)**

Recommended North Alignment

**PARTIN SETTLEMENT ROAD RECONSTRUCTION
FROM NEPTUNE ROAD TO LAKESHORE DRIVE
(HOLD NORTH R/W ALTERNATIVE)**

Project Schedule

Alternatives Evaluation

- Refine alternatives
- Staff recommendation
- BOCC to choose preferred alternative spring 2021

Final Design

- To begin early 2021
- Completion in fall 2022

Right-of-Way

- Acquisition to begin early 2022

Construction

- Expected to begin fall 2023

03/01/2021 - 1:30 PM
Commission Chambers
1 Courthouse Square, Suite 4100
Kissimmee, Florida 34741

In light of the current Coronavirus (COVID-19) pandemic, steps are required to protect the health of the public while still ensuring continuity of County business. Access to the meeting is also being provided telephonically. Please call (407) 205-0551 Code 301797 to listen to the meeting.

If you want to address the Board, provide written comments or submit documents for the record on an item that is on the Agenda, Request to Speak/Submit Comments/Documents forms shall be submitted online by 5:00 p.m. the day before the meeting by going to www.osceola.org to pre-register. For Consent/Public Hearing and Public Hearing Items (includes quasi-judicial items), Request to Speak forms may be completed in writing 15 minutes prior to the start of the meeting or submitted online by 5:00 p.m. the day before the meeting.

Board of Commissioners

Brandon Arrington, District 3, Chair
Viviana Janer, District 2, Vice Chair
Peggy Choudhry, District 1
Cheryl L. Grieb, District 4
Ricky Booth, District 5

County Staff

Don Fisher, County Manager
Frank Townsend, Interim County Attorney

Agenda

Moment of Silence

Pledge of Allegiance

Approval of Agenda

The Commission will approve an agenda which sets the order of the meeting. This approval could include an addendum representing new items, additions, corrections, and/or deletions of existing items as submitted by the Clerk of the Board. **APPROVED, AS AMENDED, BY MOVING ITEM #1 TO THE CONSENT AGENDA (GRIEB/CHOUDHRY, 5-0)**

Recognitions/Proclamations/Presentations

Recognitions

(NOTE: Item #1 was moved to the Consent Agenda, with the approval of the agenda.)

1. Presentation of the Employee of the Month for March 2021.

Hear the Audience

Except for those matters specifically exempted under the State Statute and Local Ordinance, the Board shall provide an opportunity for public comment prior to the undertaking by the Board of any action on the agenda. The Board will not vote on any item during this portion of the meeting. Rather, this portion of the meeting is to allow for public comments to be heard on items that are on the agenda for that meeting. Comments will be limited to three minutes. Each speaker may only speak once during Hear the Audience unless the Board requests additional clarification. Donation of speaker time may be provided to a single representative up to a total maximum of 12 minutes of speaking time. Donation of time waives the opportunity to speak individually. Pre-registration requirements shall be followed. Proper decorum will be observed.

Consent Agenda

The Consent Agenda is a technique designed to expedite the handling of routine and miscellaneous business of the County Commission. The County Commission in one motion may adopt the entire Consent Agenda. The motion for adoption is non-debatable and must receive unanimous approval. By request of any Board Member, an item may be removed from the Consent Agenda for discussion.

APPROVED, AS AMENDED, BY ADDING AGENDA ITEM #1, AND REMOVING ITEM #11 FOR DISCUSSION (JANER/GRIEB, 5-0)

Recognitions

(NOTE: Item #1 was moved to the Consent Agenda, with the approval of the agenda.)

1. Presentation of the Employee of the Month for March 2021.

County Administration

2. Adoption of Resolution #21-046R, approving the Fifty-fourth Extension of the State of Emergency for Osceola County, Florida, due to Coronavirus (COVID-19), effective immediately and shall remain in force for seven days from the date hereof. **ADOPTED**
3. Recognition of County employees who will celebrate a milestone anniversary of 15, 20, 25, 30 years of service. **APPROVED**
4. Adoption of Resolution #21-020R designating the Emergency Management Director position

in the Senior Management Service Class and removing the position of Commission Auditor under the Florida Retirement System (FRS). **ADOPTED**

5. Approval for the County Manager to commit a combination of General Fund-CARES Replacement funds and HOME funds, up to \$900,000.00, for the development of 30 units of Permanent Supportive Housing for the Chronically Homeless; and authorization for the County Manager to sign the Local Government Grant Form for Florida Housing Finance Corporation Persons with Special Needs State Apartment Incentive Loan (SAIL) Application process and any subsequent documents or correspondence required during and for this project. **APPROVED**

Community Development Administration

6. BD20-00067: Approval of Initial Acceptance of the following roadways within Glenwood Phase 1: Douglas Fir Drive, 776.00 linear feet (LF); Timberland Avenue, 1,090 LF; Sugarbush Street, 829 LF; and Cedar Point Way, 776 LF. Commission District 5. **APPROVED**
7. BD19-00092: Approval to take Final Acceptance of the following roadway within Orange Avenue Roadway Improvements in the existing right-of-way, as per the Orange Avenue Construction and Mobility Fee Reimbursement Agreement with Deerfield Land Corporation, approved by the Board on October 19, 2015, and recorded in the Official Public Records: Orange Avenue, 2,900.00 linear feet. Commission District 2. **APPROVED**

9. Approval and authorization for the Chair/Vice Chair to sign the final plat of FS19-00026, Kindred Phases 2C and 2D. Commission District 4. *Should this item be pulled for discussion by the Board, it must be performed as a Quasi-Judicial item. **APPROVED**
10. BD19-00128: Approval to take Final Acceptance of the following roadways within Casa Bella: Casa Blanca Avenue 1,796 linear feet (LF) and Casa Del Ray Avenue 889 LF. Commission District 3. **APPROVED**
11. PS20-00027: Milton Andrade, Clayton Properties Group Incorporated (Applicant), John F. Adams, RJ Whidden and Associates Incorporated (Agent) requests approval of the Preliminary Subdivision Plan (PS) for The Crossings consisting of 614 lots and 20 tracts on approximately 142 acres. The project is within a Low Density Residential Zoning District and is generally located approximately 2.3 miles east of the intersection of Narcoossee Road and Jones Road. Approval of this PS grants authority to the County Manager to sign the Final Plat provided the plat is found to be in substantial compliance with the Board of County Commissioners approved PS as authorized by Osceola County Ordinance #18-10 and Florida Statutes 177.071(2). Commission District: 5
Development Review Committee on January 6, 2021, recommended approval with conditions.

School District Comment: The School District of Osceola County reserves its right to ensure proper mitigation of any impact on school capacity and the collection of Educational System Impact Fees.

Planning Commission on January 21, 2021, recommended approval.

Staff Recommendation: Approval with conditions

(NOTE: This item was continued from the February 15, 2021, Board Meeting.)

*Should this item be pulled for discussion by the Board, it must be performed as a Quasi-Judicial item. **APPROVED, WITH CONDITIONS (GRIEB/JANER, 3-2) BOOTH OPPOSED. CHOUDHRY OPPOSED.**

Public Safety

12. Approval to waive the competition requirement, pursuant to Section 3.1-2 of the Osceola County Administrative Code, and authorize expenditures with trauma scene clean-up providers who are required to register and have approval from the Florida Department of Health. The Florida Department of Health provides the list of authorized vendors to local government entities for their use. The approved trauma scene bio-hazard materials clean up services providers will be utilized Countywide on an as needed basis (BW-21-12250-VJ); estimated expenditures shall not exceed \$50,000.00 annually for a total not to exceed of \$200,000.00 through September 24, 2024. **APPROVED**
13. Approval and authorization for the Chair/Vice Chair to sign a Cooperative Service Agreement with Ten-8 Fire Equipment Incorporated, Bradenton, Florida, for the purchase and custom-build of two 2021 Demers Type II Ambulances in accordance with Florida Sheriffs Association Contract #FSA20-VEF14.01, not to exceed \$227,338.72; and authorization for the County Manager to sign change orders not to exceed a combined total of \$11,366.93 equal to 5% of the proposed custom-build amount; expenditures shall not exceed \$238,705.65 through September 30, 2022 without further Board approval. (PBA-21-12243-PC) **APPROVED**
14. Approval and authorization for the Chair/Vice Chair to sign the modified Rental Agreement with Protectors of Companion Animals Incorporated, doing business as Snip-It of Central Florida, a non-profit organization, for County owned property located at 3096 Michigan Avenue, Kissimmee, Florida, for a term of five years, through March 01, 2026, modifying the use of the facility to allow for additional services to be provided, as well as continued spay/neuter service; this agreement also provides for a grant to Snip-It to offset operational expenses for a term of three years; estimated expenditures for the period of March 01, 2021, through February 28, 2024, not to exceed \$40,000.00 annually, for a total not to exceed \$120,000.00. **APPROVED**

Public Works Administration

15. Approval and authorization for the Chair/Vice Chair to sign Amendment #3 with Consolidated Resource Recovery Incorporated, Sarasota, Florida, and Treecycle Land Clearing Incorporated, Lake Worth, Florida, to provide mulching and disposal of yard trash and vegetative waste at the Bass Road Disposal Facility on an as needed basis; estimated expenditures shall not exceed \$805,562.00 annually for year four and year five for a total not to exceed amount of \$3,805,804.00 through March 31, 2023 (RFP-18-9910-VJ) The increase

in expenditures for years four and five will provide services for the continued increase in tonnage at the Bass Road site. **APPROVED**

16. Approval and authorization for the Chair/Vice Chair to sign Amendment #4 to the service agreement with JC Greenscape Incorporated, St Cloud, Florida, to provide mowing and landscaping services for Osceola County Fire Stations, on an as needed basis, through March 31, 2022 (RFP-17-9410-TP); estimated expenditures shall not exceed \$90,000.00 for year five, for a total not to exceed amount of \$409,858.00 **APPROVED**
17. Approval and authorization for the Chair/Vice Chair to sign the Lease Agreement with Whaley Farms, LLC. This new ground lease agreement allows the County to extend the original lease with the new owners of Whaley Farms, LLC, for an additional 10 years at no cost to the County, so that the County can continue to provide a caretaker for the Whaley Landing boat ramp on West Lake Tohopekaliga. **APPROVED**
18. Approval and authorization for the Chair/Vice Chair to sign a Contract Acceptance Letter with Mark Rite Lines Equipment Company Incorporated, Billings, Montana, for the purchase and delivery of one 2021 Thermoplastic Pre-Melter Truck; expenditures shall not exceed \$208,109.00 for this purchase (ITB-21-12154-PC). The request supports the replacement of Asset 13512 (1998 GMC T7500) which meets the established replacement criteria and due to a blown engine is too costly to repair. **APPROVED**
19. Adoption of Resolution #21-043R amending the 2020/2021 Fiscal Year Budget and adoption of Resolution #21-044R amending the Five-Year Capital Improvement Plan as outlined in Budget Supplement BA#21-024. Approval of this supplement will allow for unexpected repairs to the fuel piping lines for the Generator fuel tank replacement project at the Simpson Road Correctional Facility as required by Florida Department of Environmental Protection during a recent inspection, increasing this project by \$17,490.00 for a not to exceed of \$67,490.00. **ADOPTED RESOLUTION #21-043R AND RESOLUTION #21-044R**
20. Approval and authorization for Chair/Vice Chair to sign Construction Authorization #QC2M-CA29a with Quinn Commercial Incorporated increasing the Guaranteed Maximum Price (GMP) for Human Services interior office renovations and relocation to 1392 Vine St. This authorization will allow for the purchase of additional Information Technology equipment and data cabling (PSs#15-04249-RJ); \$47,286.00; authorization for the County Manager, or designee, to sign subsequent amendments not to exceed \$13,271.00 for an updated not to exceed amount of \$260,503.00; adoption of Resolution #21-039R amending the 2020/2021 Fiscal Year Budget; and adoption of Resolution #21-040R amending the Five-Year Capital Improvement Plan as outlined in Budget Supplement BA #21-023. **APPROVED AND ADOPTED RESOLUTIONS #21-039R AND #21-040R**
21. Approval and authorization for the Chair/Vice Chair to sign Amendment #1 to the service agreement with IHCS Incorporated, doing business as Maven Asset Management Incorporated, Lutz, Florida, for additional scope enhancements to the IBM Maximo computerized facilities maintenance management software application; and authorization for the County Manager to sign amendments that do not exceed the Board's approved not

to exceed amount (BW-19-11024-TP); estimated expenditures shall increase by \$30,000.00 which increases the not to exceed amount from \$400,000.00 to \$430,000.00 through May 30, 2024. **APPROVED**

Transportation and Transit

22. Approval to establish a No Parking zone and install three No Parking Anytime signs with Tow-Away Zone plaques on the west side of Formosa Gardens Boulevard at Livingston Road on west side of the street only; not to exceed \$344.93. Commission District 1. **APPROVED**
23. Approval and authorization for the Chair/Vice Chair to sign the Professional Services Agreement with Traffic Management Solutions Incorporated, Fort Pierce, Florida, 32714, to provide the design and construction of the Osceola Parkway and Poinciana Boulevard Ramp Tolling Conversion Project and installation of Intelligent Transportation System (ITS) to increase efficiency and effectiveness of the Parkway (RFP-20-11670-DG); expenditures shall not exceed \$9,622,697.00; and authorization for the County Manager, or designee, sign amendments and change orders not to exceed 10% contingency, for a total not to exceed \$10,584,967.00 without further Board approval. Commission District 1. **APPROVED**
24. Approval of the proposed project build alternative of the Partin Settlement Road Project, Alternatives Study, allowing the Partin Settlement Road Widening Project to move forward through the final design, right-of-way acquisition, and construction process. Commission Districts 2 and 4. **APPROVED**

Regular

County Administration

25. Adoption of Resolution #21-045R amending Fiscal Year (FY) 2021 budget to allocate funds, in addition to the initial \$500,000.00, in the amount of \$1,090,270 for the Clerk of the Circuit Court (COC) for the implementation of transferred responsibilities due to Amendment 10 and as required by Florida Statutes as detailed in Budget Supplement BA#21-026; or, alternately, adoption of Resolution #21-045R amending the FY 2021 budget in the amount requested by Clerk Kelvin Soto at the March 01, 2021 meeting. **ADOPTED RESOLUTION #21-045R AMENDING FY 2021 BUDGET TO ALLOCATE FUNDS, IN ADDITION TO THE INITIAL \$500,000.00, IN THE AMOUNT OF \$1,090,270 FOR THE CLERK OF THE CIRCUIT COURT FOR THE IMPLEMENTATION OF TRANSFERRED RESPONSIBILITIES DUE TO AMENDMENT 10 AND AS REQUIRED BY FLORIDA STATUTES AS DETAILED IN BUDGET SUPPLEMENT BA#21-026 (JANER/GRIEB, 5-0)**

Adjournment

In accordance with Florida Statutes, Chapter 286.0105, any person wishing to appeal a decision made by the Board of County Commissioners with respect to any matter considered at such a meeting or hearing, will need a record of the proceedings. For such purposes he or she may need to ensure that a verbatim record of the proceedings is made, which may include the testimony and evidence upon which the appeal is based.

***Community Development Quasi-Judicial Items**

All of the Quasi-Judicial Items will be approved as recommended by the Planning Commission. In accordance with Article 2.4 of the Land Development Code as may be amended, County Commissioners should disclose all ex parte communications, site visits, expert opinions, or documentation received at this time. The County will swear in anyone who wishes to speak on any Quasi-Judicial item. Witnesses may be called and shall be subject to direct and cross examination on matters relevant and material to the issue. Cross examination may be afforded to an affected party, County Staff, or to a County Commissioner. No redirect shall be allowed except upon request and approval by the Chair. There shall be no limitations on questions by the County Commissioners. No one may present evidence which is unduly cumulative or repetitious of previous testimony or evidence. Non-affected parties shall be allowed to speak and present evidence to the County Commission but may not directly examine nor cross examine witnesses. Affected parties shall be allowed to rebut testimony and evidence presented by non-affected parties. The County Commission shall only consider evidence presented at the hearing and base its decision on the competent substantial evidence of the record.

Americans with Disabilities Assistance

Individuals with disabilities requiring accommodations (i.e., sign language interpreter or materials in accessible format) in order to participate in meetings of the County Commissioners, please contact the Office of the Clerk of the Board, 407-742-2100 or 711 for the Florida Relay System, at least five (5) business days prior to the meeting.
