

PUBLIC MEETING

Marigold Avenue Safety Improvement Project

Osceola County is holding a virtual and in-person public meeting on **Thursday, August 4, 2022, at 6 p.m.** regarding the Marigold Avenue Safety Improvements Project. The purpose of this project is to improve traffic flow and help encourage safer driving speeds on Marigold Avenue from San Lorenzo Road to Peabody Road in Poinciana. The recommendations include adding single-lane modern roundabouts at Peabody Road, Laurel

Avenue, and San Lorenzo Road. A northbound left-turn lane is recommended at San Miguel Road. Design of this project began earlier this year. This hybrid public meeting will give the community an opportunity to learn about the project and provide feedback. The County is designing and constructing this project using safety funds from the Florida Department of Transportation (FDOT).
